

## Hearing in Murder Case Postponed to Wednesday

Preliminary hearing of the second degree murder charge against Charles J. Black, 39, (formerly Brayton) of 65 Morton Street, New York, who is held for the alleged shotgun killing of Miss Mildred Steger, 55, in her Cottage Row apartment over the weekend, was today adjourned to Wednesday.

The funeral of Miss Steger, it was announced today, will be private "at the convenience of the family." Burial will be in the Hurley Cemetery.

Assistant District Attorney John E. Gotelli, today holding that police laboratory reports were essential to the prosecution, asked for an adjournment to Friday, but City Judge Aaron E. Klein, after a five-minute recess for discussion, said: "This matter will go forward tomorrow morning at 9 o'clock."

This complied with the plea of the defendant's counsel S. James Matthews, who stressed

that his client was being held without bail and further delay was an imposition.

**Attorney Claims Delay**

"It seems obvious," said Matthews, that "they (the prosecution) are delaying proceedings to avoid giving indication of what their evidence is."

Matthews complained that he had been prevented from entering the Cottage Row apartment where Sunday afternoon police found the body of Miss Steger near the center of her living room face down, covered with a blanket and her head propped on pillows.

A slug from a pump type shotgun had entered her back and pierced downward through a lower abdominal region. Black claimed the gun discharged accidentally as Miss Steger was walking from the kitchen after mixing a drink. Authorities, noting the course of the slug, discredited the story, and held Black on the charge.

Local police learned through a teletype message that Black, as Charles Brayton had been in Bellevue Hospital from Feb. 20 to 24, 1948, but it did not state why he had been admitted. He had lived in Kingston over 30 years ago.

Attorney Gotelli, after Matthews' complaint that he had been prevented from entering the Cottage Row apartment, said he would see that defense counsel got such permission within a half hour after he left court.

Because of delays and the police guard at the house, Matthews said he felt, "The whole thing smells to high Heaven," and his client was being deprived of his rights.

**Says Reports Incomplete**

Gotelli said the prosecution had not yet received full reports from the autopsy and the Albany police laboratory. Matthews considered the autopsy finished, and (Continued on Page 2, Col. 1)

## Won't Enlarge Special Session

## Racing, Speaker Vote Only Topics on Agenda

By CHARLES DUMAS  
Associated Press Staff Writer  
ALBANY, N. Y. (AP)—Tomorrow's special session of the Legislature will have to stick strictly to harness racing laws and selection of a new speaker for the Assembly.

"I can see no reason for enlarging the agenda," Gov. Rockefeller said Monday.

The Republican governor thus spiked attempts by Democrats to bring in such politically hot issues as court betting and racial discrimination.

**Governor Has Say**

Special sessions may deal only with subjects specified by the governor.

Rockefeller intended to confer with the Legislature's GOP leaders today to complete plans for the one-day session.

Assembly Majority Leader Joseph F. Carlini, who is ready to step up to the speaker's job, and Senate Majority Leader Walter J.

Mahoney were due at the Capitol at mid-day.

The governor discussed the agenda with reporters yesterday at a news conference he called to explain the legislation he has requested.

**Chief Proposals**

His chief proposals are to replace harness racing "czar" George P. Monaghan with a three-member commission and to cut off the flow of state tax money into improvement of harness-track facilities.

Rockefeller said another of his recommendations was of major importance—a change in state law that will make it clear that the tracks—not the state—must pay the federal income tax on money they get for improvements.

He emphasized, as he did last week, that unless the law is clarified the state might wind up paying more than \$80 million dollars to the tracks, instead of the \$43 million already allocated.

"They would be getting 100 per cent extra," he protested.

Rockefeller wants to halt the track-improvement plan at \$43 million.

**Likely to Go Along**

The GOP-controlled Legislature is expected to follow Rockefeller's lead.

The Democratic minorities also appeared willing to go along with the harness-racing measures.

Proposals for enlarging the agenda had come from several quarters, including prominent Democrats.

New York's Mayor Robert F. Wagner said he could cancel some local taxes if the Legislature would legalize off-track betting on the horses and permit the city to tax it. Bills to that effect were pigeon-holed at last winter's regular session.

The Democratic legislative leaders, Sen. Joseph Zaretzky and Assemblyman Anthony J. Travia, urged Rockefeller to include legislation that would prohibit discrimination in sale or rental of private housing throughout the state. Rockefeller has hinted he may recommend such a law at the regular session in 1960.

**Would Consume Time**

Without discussing the various proposals, Rockefeller said it would take too much time to consider them and debate them at tomorrow's brief session.

The State Council of Churches, a Protestant organization, Monday endorsed Rockefeller's proposal to end the harness-track improvement fund.

The group said the fund was "an open invitation to the manipulation and misuse of funds."

Also Monday, an appeal was sent to Rockefeller to include in the agenda legislation to authorize more state aid for schools. The appeal came from 45 Long Island school boards.

Maguire completed Monday the direct testimony which he began at an earlier hearing last May.

**Says Traffic Is Less**

On cross-examination by L. C. Major, attorney for Edwards, Maguire said the ICC last January had denied an application by Capitol to operate between Scranton, Pa., and Elmira, N. Y. Major inquired of Maguire if there had not been some reduction in traffic. Maguire replied volume has decreased on the short hauls of 30 miles or less.

In reply to another question, Maguire said there is considerable traffic between Wilkes-Barre and Elmira and that the estimated volume of traffic would support the routes proposed by Capitol.

Capitol operates from Harrisburg to Scranton-Wilkes-Barre and to Washington, D. C.

New President of Bar Assn.

## Lawyers to Study Hotel for Use as County Building

Appointment of a committee to study use of the Hotel Kingston as a county office building was announced today by Attorney Sherwood E. Davis, who was elected president of Ulster County Bar Association Monday.

The Town of Ulster attorney prominently mentioned as a candidate for the post of county surrogate, was named president at the annual meeting of the association in the court house yesterday afternoon, attended by about 40 attorneys.

Davis, who held the position of vice president last year, succeeds Robert M. Ortale of Kingston, a practicing attorney with offices at 12 John Street. Davis announced on June 12 that he was available for the surrogate post vacated by the resignation of Charles F. Gaffney, effective today.

Saugerties Town Justice of the Peace William D. Brinnier III was elected vice president; Assistant District Attorney Joseph Torrance, treasurer, and clerk of the Surrogate's Court, Matthew Weishaup, secretary.

**Concerned About Records**

Members attending considered the problem of space shortage and fire danger to records in the surrogate's and county clerk's offices.

Mention was made of the possibility of using the Hotel Kingston for county offices. It offers the proper facilities. It was further mentioned that moving the county offices to the hotel might be the answer from an economical viewpoint with parking made available when some of the old county buildings are torn down.

## Organized Hunt Kept Up for Boy Searchers Start From New Center

An organized force of about 30 skilled woodsmen and State troopers fanned out this morning on a wide sweep through the brush-choked slopes of Slide Mountain hoping to find some trace of 5-year-old David Raleigh, who vanished on the evening of June 13.

Ulster County deputy sheriffs, troopers, forest rangers and civilian woodsmen scoured the area Monday but uncovered no clues of the boy, who has not been seen nor heard from the last 15 days.

Herbert L. Shultz, of 62 Lounsbery Place, Kingston, manager of Winnisook Lodge, told a Freeman reporter today that State police have set up a new search parties, the starting point for search parties that are determined to continue hunt for the boy until he is found.

**30 Scour Woods**

Mr. Shultz said about 30 men were on the hunt this morning, and he added the search for the boy is continuing on a smaller scale but more intensively. He said the missing boy's parents, Mr. and Mrs. Stuart Raleigh of Fayetteville, still were at the search scene. They have given no indication how long they will remain at the lodge, near the Winnisook Lake where the boy was last seen as he ran along a path from a fishing trip during a heavy downpour of rain.

Shultz, who is vice-president of the Kingston Coal Co. and the Rodie Coal Co. and the North River Coal Company of Kingston, is a friend of Raleigh since college days. He has taken an active part in the search.

**Fear He's in Hole**

State police officials are quite sure the boy is somewhere on the slopes of Slide Mountain, but some officials fear David may have been hurt, or that he crawled into a hole at the base of one of the numerous ledges.

Lieutenant Frank Dwyer of Ferndale State Police, who has coordinated the search since its beginning, said that he and several troopers with skilled woodsmen and others will continue the search as long as the boy's family wants them to.

Last Friday, Lieutenant Dwyer and Raleigh made an announcement that the full-scale search was called off. At times as many as 350 persons were on the search, and more than 600 air-men from Stewart Air Base and soldiers from West Point joined in the hunt along the rough, and dense terrain.

**Cobleskill Girl, 8,  
Vanishes From Group**

COBLESKILL, N. Y. (AP)—Police and volunteer firemen searched a swimming hole and surrounding woods today for an 8-year-old girl who vanished last night from a group of youngsters who had been swimming.

The missing child was Mary Graham, daughter of Mr. and Mrs. George Graham of RD1 Cobleskill.

Cobleskill police said she had been with a group of older children at a municipal swimming hole. About a mile outside this Schoharie County village.

Volunteers, assisted by local and State Police dragged the pond while other searchers fanned through neighboring woods and swamplands.

ment spending was increased to offset depression. The all-time high deficit was about 57½ billion in fiscal 1943, in the early days of World War II.

For President Eisenhower, fiscal 1959 brings the fourth deficit in six years.

The 1960 fiscal year, which begins at midnight, will almost surely produce a brighter picture. There might even be a surplus if the new economic boom follows the course now foreseen by government economists.

Eisenhower asked Congress to authorize fiscal 1960 spending of \$77,030,000,000. He predicted revenues of \$77,100,000,000 and a precarious budget surplus of 70 million dollars, contingent on higher gasoline tax and postal rates which Congress isn't likely to put into effect.

The administration now concedes that spending will exceed the January forecast. However, revenues are expected to be higher too.

## Rocky Is Hailed As Next President

NEW YORK (AP)—Gov. Rockefeller got an unexpected greeting himself today as he started to greet 7,000 Lions Club members at the opening session of the organization's international convention.

Someone in the crowd shouted: "Hooray for the next President." There followed a loud outburst of clapping and cheering from the delegates and their wives.

The governor smiled, but shook his head and commented only that "I have a lot of problems here in the State of New York."

## Instruction Set Wednesday at 8 On Bus Petitions

A meeting for instruction of area leaders and canvassers who will be circulating school bus petitions throughout the Greater Kingston School District, will be held Wednesday at Town Hall, Port Ewen, at 8 p. m.

George Sheldon, canvass chairman, has named area leaders who will have charge of circulating petitions in their respective areas. Names as area leaders are:

**Area Leaders**

Mrs. Francis M. Short, Chambers School area.

Harry Skerritt, Hurley area.

Mrs. Walter Peterson, Lake Katrine area.

Mrs. Martin Oberkirch, Port Ewen area.

Miss Mary Weisman, Connelly area.

Fred Brown, Sleightsburgh area.

Mrs. Robert Post, Emma Wygant area.

The meeting tomorrow night will be for the purpose of instructing those who will canvass the areas in regard to signatures to the petitions and also brief them in regard to questions which may be asked of the canvassers as to the proposed plan.

Sheldon reports that there are a large number of persons in each area who have signed their desire to participate in the circulation of the petitions. Canvassers will be asked to urge all persons who are requested to sign the petition to listen to the story and familiarize themselves with the proposal which the group is advancing.

Parents of children in the area are petitioning the board to change its "one and two mile" rule to include bus service for other children residing closer to the schools where they will be required to walk over "dangerous areas" en route to school next fall.

**Ewig Is Retained**

Rogers Murphy, overall chairman of the group, has also announced the appointment of Saul Sobsey, Town of Ulster, as co-chairman of the over-all group.

Mrs. Mary Fisher of the Emma Wygant area as secretary and Mrs. Walter Peterson of the Lake Katrine area as treasurer.

Arthur B. Ewig has been retained as counsel for the taxpayer group for preparation of the petition and to advise on legal steps and procedures.

Under a resolution adopted recently by the board of education, bus service will be provided elementary school children living more than a mile from school and junior and senior high school students living more than two miles from school.

Anyone residing in the area who desires to assist in circulation of the petitions may contact their area leader.

## No Magic Formula: Nixon

## Soviets Open 42-Day Exhibition in Gotham

NEW YORK (AP)—A glittering Soviet scientific and cultural exhibition began a 42-day stand today.

The Kremlin's No. 3 man, Frol R. Kozlov, renewed the Soviet call for peaceful competition at formal opening ceremonies Monday night.

**Kozlov to Capital**

He also heard Vice President Richard M. Nixon say in a speech at the opening: "There is no magic formula which will settle the differences between us, no conference at the summit, which will dramatically end world tensions."

Today Kozlov—who shares with Anastas I. Mikoyan the rank of first deputy premier of the Soviet Union—goes to Washington, where he is expected to make a pitch for expanded trade between the United States and the Soviet Union.

Wednesday he meets with President Eisenhower after a session with Secretary of State Christian A. Herter. Kozlov spent an hour Monday showing Eisenhower the exhibition.

**He Is Impressed**

The President seemed much impressed, and there was much to impress him. The 10,000 display spread over six acres, and take up three floors of New York's Coliseum, a huge new building at Columbus Circle in Manhattan.

After paying the admission price, a dollar for adults and 50 cents for children, the first thing the visitor sees is a reminder of the Soviet strides into outer space — models of Sputniks, or space satellites.

The exhibition, first of its kind here since the New York World's

Fair 20 years ago, is held under an exchange agreement signed by the United States and the Soviet Union last year. The American counterpart will open in Moscow July 25.

There are Soviet automobiles, including several of the new, popular, foreign import size. They sell for \$6,000 to \$7,000.

## Youth, 18, Drowns In Hudson River At Poughkeepsie

Raymond George Whitney, 18, of 1 Davis Street, Poughkeepsie, drowned early Monday night while swimming in the Hudson River just north of Riverfront Park, Poughkeepsie, and efforts were resumed this morning to recover the body.

Poughkeepsie police assisted by Dutchess County deputy sheriffs, volunteers and skin divers worked until after 10:30 p. m. but they were unable to locate the body of the youth.

Firemen provided searchlights to aid in the search.

Acting Police Lieutenant Donovaid Pudey told a Freeman reporter that Whitney was accompanied by Jeffrey McGrath, 12, of 1 Davis Street, and Frank Morrison, 23, of 187 Main Street, Poughkeepsie. The three youths went to the Vailkill shortly after 6 p. m.

## Needs Call For Action On Project 1957 Drouth Here Is Cited by Board

An engineering study and report providing for future improvements of the city's water supply system has been approved by the water board, it was revealed today.

It will be made by Clinton Bogert Engineers, of New York, water department consultants and will include studies on city requirements, water sources, storage, treatment, transmission, distribution, and programming of improvements.

**Engineers Give Advice**

An engineers' report, the water board noted, said:

"The need for such a report has been well evidenced by the mounting water demands of the city, which have exceeded the nominal capacity of the filter plant, and approached the estimated demandable yield of Mink Hollow. Within the city limits there has also been felt increasing concern over the lack of fire-fighting pressures in several parts of the city. An engineered program for expansion of the water system to meet further needs, is therefore a necessity."

The water board cites the 1957 drouth as pointing to the need for the study. In the fall of that year the city prepared to buy water from New York City's Ashokan system. A line was laid but was not needed.

**Leakage Study Made**

After the 1957 emergency a leakage survey was made of conduits and distribution mains. The metering program also followed "to curtail waste and to charge equitably for the water used."

The leakage survey, said the board, resulted in repair of leaks amounting to almost five per cent of the city's daily use. Further savings are expected to be gained through full metering of service.

Such measures, however, it held, can be only temporary "in view of increasing demands in the city." Use of modern appliances, use of laws and industrial use also increase demand.

**Survey Made in 1925**

The board noted that a comprehensive survey was made in 1925. That resulted in gaining the Cooper Lake Reservoir, the equalizing reservoir near the city, new standpipes for storage and pressure, extension of conduits, a strengthening of the distribution system and a new building at the equalizing reservoir.

Population and water-requirement studies are to be made in the new survey, and other studies for various purposes will be made in the Mink Hollow, Sawkill and adjacent watersheds, for available supply. Ground water sources, the Hudson River and Ashokan sources are to be considered. Studies for a new filter plant will also be made.

## Cases of 14 Seized in Dice Raid Put Off for Consideration by Grand Jury

The cases of 14 men arrested on gambling charges early last Friday morning at Uncle Tom's Cabins, two miles north of Ireland Corners, was adjourned Monday afternoon by Justice of the Peace Warren McDowell on motion of Assistant District Attorney James Murray to permit grand jury consideration.

Justice McDowell denied an application by counsel for the men for a dismissal of the information on the grounds that it did not contain sufficient facts to warrant holding the men.

Justice McDowell held the information, which charged common gambling, was sufficient to hold the men for trial and he also denied the application on the further grounds that the motion had not been made until after the adjournment motion of Assistant District Attorney Murray had been granted. The adjournment by Justice McDowell was without date, pending consideration of the matter by a grand jury. The charge is a misdemeanor and should the grand jury take no action in the matter, it can then be heard before

the Town of Gardiner justice.

The 14 men, including one from New Paltz and one from Modena, were nabbed when state police, under the direction of Inspector Robert E. Denman of Ferndale, swooped down on the premises to raid a dice game.

The raid on the floating craps game came at 1:40 o'clock in the morning and close to \$7,000 was recovered.

Application for grand jury consideration was made, Assistant District Attorney Murray said, because of the "long criminal records" of several of the defendants.

Bail in the sum of \$500 each was continued, except in the case of Daniel Goldberg, 44, 282 Riverdale Street, Brooklyn, where bail was \$1,000.

Decision to present the matter to the grand jury came after a conference between the prosecutor's office and state police. Troopers are of the opinion that the case warranted grand jury action. It will be heard by the extended term of the May grand jury during the next few weeks.

The game, reportedly to have been under surveillance for sev-

eral days, is alleged to have been receiving official observation in the Catskill mountain resort area.

Those taken in to custody in the raid are:

Carl John Sattarella, 30, New Paltz; Gennaro Antonio Muzzo, 22, Modena; Jacob Arnowitz, 31, Brooklyn; Daniel Goldberg, 44, 282 Riverdale Street, Brooklyn; Gerald Francis Mally, 58, 134 State Street, Albany; Thomas Greco, 37, 909 Kings Highway, Brooklyn; James Annunzio, 37, 2551 Stillman Avenue, Bronx; Dominic Anthony Tazila, 31, 3 Riverdale Avenue, Rensselaer; John Costantino, 45, 155 Siegel Street, Brooklyn; Armand Colagiovanni, 43, Second Avenue, Albany; Sylvester Criscone, 47, 75 Dana Avenue, Albany; Vincent Spitaleri, 37, 2678 West 36th Street, Brooklyn; Frank Salvatore Motto, 48, 33-49 28th Street, Astoria and Frank La-Rosa, 32, 347 Union Avenue, Brooklyn.

The men were represented by Leonard Rubin and Samuel Rosenblatt, attorneys of 153 Center street, New York city.

## Defections Of Soviets Hit Peak

WASHINGTON (AP)—A record number of Soviet diplomats are reported to have defected to the West in the past week.

Responsible officials who reported this today said it was the biggest flight to freedom by Soviets that they could remember. They declined to reveal the numbers.

Some of the defectors are understood to have been granted asylum by American authorities in keeping with the government's long-standing policy of providing a haven for such escapees.

A young Soviet diplomat who took refuge in the U.S. Embassy in Burma is reported to be only one of many similar cases.

Most of the others are described as of medium-rank and "knowledgeable" in the inner workings of Soviet activities in their particular fields.

Officials who talked about the defections in most guarded terms said the reasons for the record flights appeared to be:

1. Soviet diplomats overseas are becoming disillusioned with the continued round-the-clock secret police watch on their activities.
2. An increasing number have succumbed to the lure of better living conditions, plus freedom, to which they are exposed daily in their diplomatic life outside the U.S.S.R.

Authorities cautioned, however, against viewing the stepped-up flow of defectors as any sign of a deep-rooted restlessness among Soviet diplomats.

## Hearing in . . .

held, "We're getting the run-around."

Judge Klein indicated he was agreeable to expediting the hearing, but felt also, that the court could not be "too precipitous" in view of considerations on both sides. He favored the Wednesday adjournment after the short recess. Gotelli indicated he would be ready then.

Black, well dressed and apparently calm was led into court with a guard of four patrolmen. He talked with his attorney for a few minutes before Judge Klein called his name.

### Friends May Call

An announcement from the W. N. Conner Funeral Home, Inc., today said funeral rites for Miss Steger were to be held at the convenience of the family. Friends may call at the funeral home from 7 to 9 p. m. today. Miss Steger, a lifelong resident of the city was the daughter of the late John V. and Eva Conway Steger. She was a member of the First Presbyterian Church. Two aunts, Mrs. William Wood, Catskill, and Mrs. Henrietta Doherty, this city, several nieces and nephews and cousins survive.

## Saratoga Man Led Jailbreak in South

CHATTANOOGA, Tenn. (AP)—Three prisoners overpowered a jailer and escaped from the Hamilton County jail last night. One was recaptured moments later when fired on by a policeman.

Sheriff James Turner said Daniel W. Park, 31, of Rexford, Saratoga County, N. Y., described by the sheriff as the ringleader of the jailbreak, was captured minutes after the breakout.

The missing prisoners were identified as Roland L. Roy of Ooltewah and Richard Murphy of Chattanooga, both 18.

## Mayor Finds Out How Canadians Arrive at Radel

Mayor Edwin F. Radel, with Mrs. Radel on a recent trip to Kingston, Canada, where they saw welcome rites for Queen Elizabeth and Prince Philip of England, experienced one of those "double take" moments.

It came when they spotted in a Kingston harbor a 50-foot Canadian Government cruiser bearing the name of "Radel No. 2."

Curious to learn the origin of the name, the mayor left with a crew member, his calling card with a note asking an explanation.

One came by mail from the ship's officer and explained it was a craft of the Radio & Electrical Engineering Division of the National Research Council, Ottawa. The name came from using the Rad of radio, plus EL of electrical.

ministration, now owners of the Hotel Kingston suggested the hotel be considered for the county offices.

Other buildings mentioned as a possible site were the former Home Seekers Savings and Loan Association building at Broadway and East Strand, the Cornell Building on Ferry Street, and the building on the corner of Hasbrouck Avenue and East Strand. The building committee of the Board of Supervisors has all of these proposals under study.

The meeting adjourned to Twaalfskill Golf Club where the annual steak roast was held.

### Oxygen Therapy Service

Frank Fatum, of Fatum's Ambulance Service, 52 O'Neil Street, today announced that a new oxygen therapy service is now available in conjunction with operation of the ambulance service. Both oxygen masks and tents in homes or elsewhere are available, he said, and they will be ready for use daily 24 hours. The new equipment was acquired, he said, to provide better service to the public. It also supplements such services at hospitals during peak demand.

into the creek attired in his pants and shoes. He left his wallet, a handkerchief and a T shirt on a dock near the Poughkeepsie Dyestuff Corporation. Shortly after he entered the water he disappeared under the surface but seconds later he reappeared struggling.

According to police, the McGrath youth was nearby. He swam to the assistance of Whitney and gripped the youth, but Whitney fought and pulled McGrath under the surface. Police said the boy managed to free himself as Whitney submerged a second time. He did not reappear.

### Rescue Attempt Fails

Morrison was unable to reach the drowning youth. Police were notified and deputy sheriffs responded to a call with a boat. The Poughkeepsie Fire Department emergency squad went to the scene. Grappling efforts began immediately but the murky water hampered searches.

Several members of the Empire State Rescue squad, including Patrolman John Scribner were summoned and until a late hour Monday night they combed the river bottom but found no trace of Whitney.

Police said Whitney dove into the Vaikill and then swam a short distance in the creek to the Hudson River before he drowned. Friends said the victim was considered a fairly good swimmer.

### Mother Collapses

When authorities notified the youth's mother, Mrs. Mildred Whitney of the drowning, she collapsed. Police Sergeant James Morris took her to Vassar Hospital where she was given emergency treatment for shock. Later she was released and she returned home.

Authorities were at a loss to explain why Whitney went swimming without removing his shoes and pants.

### To Hear Witnesses

The special grand jury investigating kickbacks in Ulster County will be in session on Wednesday. However it is not expected there will be any report made to Justice Henry Clay Greenberg, presiding judge at the extraordinary session of Supreme Court. It is anticipated the grand jury will have additional witnesses before it at its Wednesday session.

### Youth Hurt in Mishap

Vincent Mesleski, 15, of 239 Clifton Avenue, suffered a back injury in a taxi-bicycle mishap at John and Crown Street shortly before 10 a. m. today. Police said the taxi, driven by Harry J. Nagele, 54, of Box 341, Washington Park, Rosendale, was headed east on John Street, and the boy was riding the bicycle the wrong way on Crown Street. He was treated at Kingston Hospital.

BROOKFIELD, Conn. (AP)—Eight-year-old Brian Henderson was electrocuted Monday while clambering about in a tree when his body came in contact with a high-tension wire.

## Marshall, Carroll Sentenced to Jail

Raymond Marshall, 18, of East Kingston, arrested June 7 on a rape charge, was sentenced to six months in jail in city court today.

Marshall was booked on the charge after an investigation by local detectives and sheriff's men. Police said a 13-year-old girl was involved.

John Carroll, 31, of Philadelphia, charged with unlawful entering a downtown home, was sentenced to 30 days in jail. He was arrested June 1, and it was alleged that he had entered a house at 79 West Union Street, and taken some clothes, which were later taken from him.

## Lexington Boy Hurt In Fall From Truck

Thomas Andersen, 15, of Lexington, was injured shortly after 9 a. m. when he fell from a truck operated by his father, Tieman Andersen, 52, on Route 9-W south of Saugerties.

Lake Katrine troopers said the boy was removed by ambulance to Benedictine Hospital, where he was admitted for X-ray examination. The extent of his injuries was not immediately determined.

Troopers said the truck was traveling north when the boy lost his balance and toppled to the pavement.

### To Search Desert

FRANKFURT, Germany (AP)—An expanded U.S. Army team will launch a new search in the Libyan desert next month for the bodies of the nine-man crew of an American bomber that crashed mysteriously during World War II. American officials said today both helicopters and vehicles will be used.

This team expects to spend at least 20 days in a search of the sandy wastes where temperatures soar to 130 degrees and higher.

## Knicker-News Has New Assistant GM

ALBANY, N. Y. (AP)—Thomas P. Dolan, general manager of The Saratogian, today was named assistant general manager of The Knickerbocker News in Albany.

The announcement of Dolan's appointment was made by Gerald H. Salisbury, general manager of the Albany newspaper. Both papers are published by Gannett Newspapers Inc.

Salisbury said Dolan would assume his new duties Wednesday but retain for the present, his supervision of the Saratogian.

Dolan announced the appointment of John V. Hannigan as business manager of The Saratogian.

Hannigan has been the newspaper's auditor for the last 10 years. Dolan, who is 40, has been general manager of the Saratogian since 1957. After World War II, in which he served as an Air Force captain, Dolan joined the Gannett Newspapers as an advertising salesman for the Massena Observer. In 1946, he was named advertising manager of the Ogdensburg Journal.

In 1949, he was appointed general manager of the Potsdam Courier and Freeman. He served The Saratogian.

There until his appointment to Albany.

He is a native of Norwood, is married and has three children.

Hannigan was named auditor of The Saratogian in 1949. He joined the Gannett Newspapers with the Newburgh News in 1941. He is married and has two children.

## Hurley Is Picked To Head State's Anti-Racket Unit

ALBANY, N. Y. (AP) — The State Labor Department has set up a special unit to administer the state's new anti-rackets labor law.

In charge of the unit is William J. Hurley, 56, a veteran official in the department. He will be paid \$12,160 a year.

Industrial Commissioner Martin P. Catherwood said Monday the division would contact approximately 70,000 unions, employers, employer organizations and labor consultants. The new law requires them to file financial reports by Dec. 1 this year and annually thereafter.

Hurley, of Albany, has worked in the department since 1937. He has been employment security superintendent since 1953.

**Irked About Phone Bill**

BALTIMORE (AP)—It was bad enough that a burglar ransacked his apartment and left with \$750 in jewelry. But what really annoyed John A. Blair was the bill he received for three phone calls to Macon, Ga., apparently made by the thief.

### Rocket Lacked Speed

INGLEWOOD, Calif. (AP)—Why didn't the Discoverer IV rocket fired Thursday from the West Coast go into orbit? Not enough speed, says the Air Force.

To hurl a capsule-bearing satellite into a course around the earth's poles, as planned, the vehicle would have had to reach 18,000 miles an hour.

A Ballistic Missile Division spokesman declined to say whether the first or the second stage was to blame for the insufficient velocity.

## Today's Business Mirror

By SAM DAWSON

**AP Business News Analyst**

NEW YORK (AP)—Most Americans fared well in the first half of 1959—despite all the threats to their peace and prosperity at home and abroad.

They have more money than six months ago, are spending more, going into debt more, working longer hours at a record number of jobs.

**Moderate Living Boost**

At midyear the cost of living is rising at only a moderate, if insidious, rate.

Total personal incomes have risen steadily since 1954 at a record high. They are being boosted along by higher wage scales, overtime pay, bigger dividend checks, and higher returns on services rendered.

Job opportunities have increased more than seasonally. And the stubborn total of unemployment began to melt as spring brought more outdoor work. Industrial output has climbed to new peak.

Money supplies have tightened and interest rates are rising. But only recently has the individual begun to feel any pinch. Until now, the chief complainers have been the federal, state and local governments seeking to raise cash and corporations who are charged more when they borrow.

**Enough Mortgage Money**

So far Americans have been able

to find enough mortgage financing to start an increasing number of homes.

The citizenry is taking on a record amount of installment debt. It has added to its mortgage obligations and personal loans, but still has managed to save almost as much money as a year ago.

For the first time in several years, motorists have greeted spring with a burst of auto buying—much of it on the cuff.

And, attracted by the bull market with its promise of capital gains, more Americans than ever have become shareholders—either as investors for the long run or as traders for the quick profit.

**Take Alarms Quietly**

There have been alarms. But most citizens have taken them quietly. These include the Berlin crisis which could have, but didn't, upset everything; the threat of a steel strike—still unresolved at midyear; and the hullabaloo about the approach of another round of inflation, which may or may not materialize.

The biggest thing of all in the first half of 1959 has been the upsurge in public confidence. Recession born cynicism melted with the speed of the recovery. Americans are buying goods and mortgage future incomes at a great rate, and in general living it up.

Tomorrow: The next six months: Bigger and better?

### Bus Hike Approved

ALBANY, N. Y. (AP)—The Public Service Commission today approved a five-cent increase in most fares of the White Plains and Pleasantville Bus Lines Inc.

The company, which operates an 11-mile route between the two communities in Westchester County, was authorized to raise its fares on three days' notice to the public.

Present fares range from 10

cents to 30 cents, depending upon the number of zones traveled. All fares will be raised five cents except the 15-cent fare for rides within White Plains.

The company said it needed more income to meet rising operating expenses and offset losses. The higher fares are expected to produce about \$12,000 more revenue a year.

There are now 12 battalions in mothballs throughout the United States.

### Clarinet Missing

CHICAGO (AP)—Several times Sunday night Hyde Park police received complaints about loud and dissonant music coming from clarinetist John Williams' South Side apartment.

Three squads responded and each told Williams to "exclude the sour notes and hold the noise down."

Monday Williams reported to the police his clarinet was missing.

FOORDMORE FARMS DAIRY  
HIGH FALLS, N. Y.  
Gentlemen:

This is in reply to your inquiry of June 15th in regard to the wax used on Canco milk cartons. The newspaper release was misleading, since the title implied that trace amounts of chemical agents which can cause cancer are generally found in milk carton waxes. This is not true. The release was based upon a study of the ability of milk to dissolve certain hydrocarbon substances when they are ADDED to dairy waxes. The original article in an English Scientific Journal bore the title "Milk As An Eluant of Polycyclic Aromatic Hydrocarbons Added to Wax."

We wish to assure you that the dairy waxes used by the American Can Company are purchased under rigid specifications from reliable suppliers and are all properly refined. Canco waxes were not involved in this study.

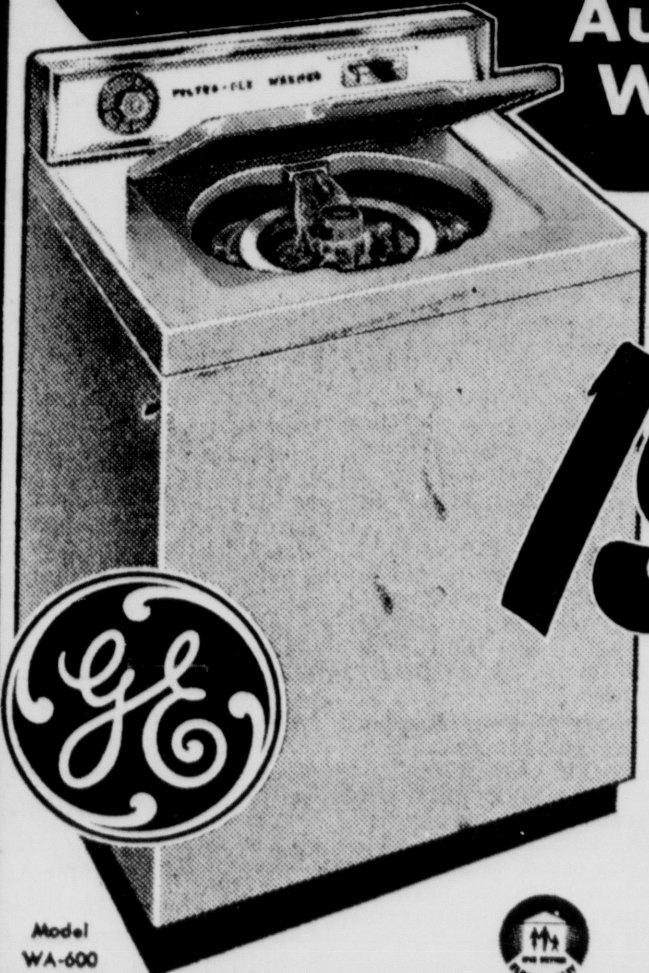

We can state with assurance that the fibre milk containers manufactured by the American Can Company present no health hazard to the consumer of the milk. Governmental authorities have assured us that fully refined paraffin wax is an entirely acceptable material for use in the coating of food cartons.

Very truly yours,  
AMERICAN CAN COMPANY

### Saugerties News

## Display Zinnias For H-C Project Friday Afternoon

The project of decorating the Town of Saugerties with zinnias, its official flower, will get underway Friday in preparation for the observance of the Hudson-Champlain celebration.

A group of Saugerties District Boy Scouts under the direction of Bascom Dillon have completed 15 window boxes which will be placed in front of various store windows throughout the village business district.

The project will continue until all stores in the center of the district have window boxes.

In a similar project for the occasion the Saugerties Area Chamber of Commerce has suggested that store fronts be painted white in order to present a uniform white front to visitors entering the main business section. A few have already painted store fronts white and others are contemplating the move.

Dillon has been cultivating the plants for some time and as each reaches maturity it is placed in one of the boxes made by the Scouts.

Materials and seeds for the project have been donated by various merchants and businesses.

There is no charge for the boxes.

### Town Notes

The Mother's Auxiliary of Boy Scout Troop 130 will hold a bake sale Wednesday starting at 9 a. m. in Grand Union Super Market, Market Street, Saugerties.

Malden-West Camp Fire Company has scheduled hose tests for 7 o'clock tonight and Thursday night. Active members of Malden unit will meet there tonight and members of West Camp station meet at the West Camp station Thursday at 7 p. m. Those absent without excuse will be subject to fine.

C & E Trucking Corp., of Saugerties was one of six trucking companies participating in test runs of tandem-trailers on the State Thruway which today approve their use in its 559-mile system. The tandem vehicles comprise a heavy duty truck tractor hitched to two regular size trailer units, with the trailers connected by a "dolly" unit. The overall length may not exceed 98 feet and its gross weight may not exceed 127,400 pounds.

### Traffic Jam Worsens

HANOVER, N. H. (AP) — A Buffalo, N. Y., industrialist says that "In this society of affluence, some 17 million Americans live in dwellings that are decayed, dirty, rat-infested, without decent heat or light or plumbing."

Melvin H. Baker, chairman of the board of National Gypsum Co., also said in a talk yesterday that "as the dwellings rot the streets become more congested."

"Detroit is turning out cars faster than the nation has been building roads to hold them. The result is an unending traffic jam in every major city."

"This blight and congestion are driving people, business and industry out farther and farther from the core of our cities."

### Takes Jewels He Wants

BRYAN, Tex. (AP) — Police stopped Hector Galvin, 20, to inquire why he was walking down Main street in the middle of the night carrying a large paper sack.

The sack turned out to contain 100 rings, 25 watches, bracelets and other items of jewelry. Detective Ray Williamson said. Galvin explained he "saw some things he wanted" in the window of a jewelry store, so he kicked in the door glass and took them.

### Dog Owners Are Told How to Help In Hot Weather

Joseph Betley Jr., chief agent of the Ulster County Society for Prevention of Cruelty to Animals, today issued precautions to dog owners to prevent heat prostration or heat fits.

Betley told a Freeman reporter that Monday's hot weather was responsible for the death of several dogs in the area. He said he answered several calls involving dogs that were on the verge of prostration due to the intense heat.

The chief agent said cool, fresh water should be amply provided for dogs during the hot spell. "Keep the dog in the cellar or in a cool spot during the day," Betley said. He said that if a dog shows any symptoms of heat fits or prostration, the owner should play a hose on the animal, or put the dog in a bathtub with cool water.

Betley said cold water should be poured on the dog until the animal appears to be out of danger of a heat fit or prostration. If the animal does not respond to the water treatment then it should be rushed to a veterinarian for emergency treatment.

The agent said that the water treatment should be applied immediately after the animal appears to be suffering from the heat. Intense heat causes damage to the brain of the animal, Betley said.

Meanwhile, Betley said, he is pressing investigation of several complaints involving cruelty to animals. In the last few weeks several persons have been taken into custody and prosecuted in court on charges of cruelty to animals, and more arrests are anticipated, Betley said.

### IRBM Short Hop Gives Boost to Thor and Polaris

CAPE CANAVERAL, Fla. (AP)—U.S. intermediate-range ballistic missile capability has been strengthened by Monday's successful test firings of a Thor and a Polaris.

The Thor, which has logged several successes at its maximum range of 1,500 miles, showed it could do just as well at its minimum distance of 300 miles in a flexibility test Monday night.

The Air Force said the rocket achieved most of its test goals and its nose cone landed in the planned area in the Atlantic Ocean.

This was the Thor's first try at the shorter range.

The Polaris, the Navy's potentially deadly submarine weapon, has had its share of troubles. Seven of nine previous two-stage Polaris test rockets failed, but the Department of Defense announced Monday's vehicle attained its main objectives.

Sources reported it hurled a simulated warhead to a selected target area 700 miles away in the ocean.

## Another Change Is Made by Navy Of Visiting Ship

U. S. Navy Chief Leo Boland said today that the USS Sagacity, a wooden hulled, non-magnetic ocean minesweeper will be unable to visit Kingston July 3 to 6, but its sister ship, the USS Pinnacle, MSO462 will dock at Kingston Point for public inspection Saturday and Sunday.

Chief Boland said the USS Pinnacle is identical with the sister ship, the USS Sagacity which was previously assigned to Kingston for the holiday weekend. The local Navy recruiter stated that the submarine Cavalla, previously reported assigned to Kingston, will be unable to make the visit at this time.

The USS Pinnacle is expected to dock here Friday afternoon, July 3. Visiting hours will be announced soon.

## Pride Kills Housewife

LONDON (AP)—Dorothy Olsen-Smith was a model housewife. Often she got up at 6:15 a.m. and polished and dusted until 10 at night.

The pride the 31-year-old woman took in her little suburban home killed her.

In a suicide note to her husband, she wrote: "I feel I am making your life a misery because I have no time for anything else but housework."

She moved an armchair into her spotless kitchen, turned on the gas taps, and sat her two young girls on her lap.

Her husband, Cyril, told a coroner's court he found them when he returned home from work. His wife was dead. So was Vivien, 5, Marion, 2, recovered.

## House Cuts Space Budget by 10 PC

WASHINGTON (AP) — The House has cut more than 10 per cent from the new space agency's budget for the fiscal year beginning Wednesday.

The bill, which provides \$462,075,000 for the National Aeronautics and Space Administration, goes to the Senate.

Meanwhile, the House considers today a proposal to provide emergency funds for federal agencies that still have not been voted appropriations for the new fiscal year. The present government year ends at midnight tonight.

President Eisenhower had asked \$530,300,000 for the NASA. By voice vote, the House decided to give him \$68,225,000 less.

The space money was included in a \$609,843,845 appropriations bill covering several agencies. The biggest cut in the omnibus bill was \$187,285,072 for expanding the defense stockpile of critical materials.

The Senate passed and sent to the President a \$13,463,500 appropriation bill to pay his salary and run the White House and other executive agencies in the new year. It was \$145,000 less than he had asked.

## Adenauer Ignores Threats

BERLIN (AP)—Chancellor Konrad Adenauer flew into West Berlin today ignoring Communist threats against the isolated city.

Adenauer came for a meeting of the West German Electoral College. The college, meeting Wednesday, will choose a successor to West German President Theodor Heuss.

Communist East Germany threatened earlier this month to blockade West Berlin if the Electoral College held its meeting in West Berlin, 110 miles inside East German territory. This threat has not been repeated.

## Freighters Collide

MASSENA, N. Y. (AP) — Two foreign freight ships, traveling the St. Lawrence Seaway, collided today in Lake St. Lawrence. One was damaged badly.

No one was reported injured.

The ships were the 417-foot Taxis from Lebanon and the 446-foot Carl Julius from Hamburg, Germany. The bow of the Taxis suffered serious damage.

## Okinawa Tragedy

## 21 Dead, 100 Hurt as Plane Hits School

NAHA, Okinawa (AP)—A pilotless U. S. Air Force jet fighter hurtled into the corner of an Okinawan schoolhouse today, then sprayed fiery fragments over a residential area.

A control center set up by U. S. military authorities said 21 persons were killed and 100 injured. Rescue teams were seeking more bodies.

It was not yet known how many of the dead were school children.

All Okinawans

All of the victims apparently were Okinawans. Police said that 60 of the less seriously injured were schoolchildren playing near the school.

The blazing wreckage set fire to 30 houses.

Thousands rushed hysterically to the scene after a broadcast that 150 had been killed and 300 hurt. The milling crowds hindered the removal of the injured to hospitals by military ambulances.

Repercussions in Tokyo

It was one of the worst military disasters since World War II on Okinawa, biggest U. S. base in the Far East. There were immediate political repercussions in Tokyo. The Japanese Socialist party, long critical of American administration of the former Japanese island, said it would bring the matter up in Parliament.

Lt. Gen. Robert W. Burns, commander of the 5th Air Force, expressed his "deep personal sympathy" for the victims and their families. He planned to fly to Okinawa for a personal investigation.

## Pilot Out Safely

An explosion occurred aboard the F100 Super Sabre jet soon after it took off from Kadena Air Base, eight miles from Ishikawa. The pilot, Capt. John G. Schmitt Jr. of Chalmers, Ind., parachuted to safety.

Capt. Richard Roussel of Lockport, La., an eyewitness, said the empty plane headed for an uninhabited hill, veered sharply and finally crashed into a corner of the Miami Elementary School. Shearing off from the school building, it burst into a shower of flaming metal which scattered over the green-tiled roofs of the surrounding residential district.

## Other Woodstock Man Held for Grand Jury Action

Louis Blas, 22, Woodstock, who was charged with possession of stolen property was held for grand jury action when arraigned before Justice of the Peace Charles Farley of Town of Woodstock Monday afternoon. He was remanded to jail.

Drew Elwyn, 16, Bearsville, charged with burglary, third degree, had previously been held for grand jury action by Justice of the Peace Arthur A. Reilly of Town of Ulster.

The arrest of the two Town of Woodstock men followed an investigation of a rash of Woodstock burglaries last week by Corporal Edward Shannon and Trooper Charles Teelon of the BCI unit of the Kingston state trooper station. Among the places entered was Deane's where food was stolen. Troopers reported they found some of the missing food at the Blas home. Other places entered were the American Legion Club, Seahorse Restaurant and Irvington Inn.

## Slayer Is Committed

PORT WASHINGTON, Wis. (AP)—Harold W. McLaughlin, admitted kidnaper-slave of 6-year-old B. Wagner, Monday was committed to the Central State Hospital for the Criminal Insane.

Circuit Judge William E. O'Connell ordered McLaughlin's commitment until "He is able to be returned to this court to stand trial."

McLaughlin, 27, adjudged feeble-minded by Judge O'Connell after two psychiatrists testified he did not know right from wrong and was unable to confer with his attorney, faced a first-degree murder charge for Ben's death.

The boy, son of Mr. and Mrs. Louis Wagner of Milwaukee, was lured into a car the night of April 4 as he walked to a neighborhood store to buy ice cream for his sister. His body was found the next morning in a roadside ditch 12 miles north of Milwaukee.

## Admits Robbery To Clear Debts; \$3,000 Not Enough

MINEOLA, N. Y. (AP) — "I couldn't make ends meet," William J. Sommer, 29, told police. "I had to decide what was best for them."

He referred to his wife and three young sons. He made his decision. As a result he is in jail today, charged with robbing a bank.

Police say he gave this account: Last November he was deep in debt. He couldn't see any way to make his bills. So he decided to attempt another robbery or admit he was licked.

After several sleepless nights, he finally turned himself in Monday.

Detectives asked him if his wife knew about the robbery. "I couldn't bear to tell her," he replied.

Police insisted that he phone her.

When he hung up he was close to tears. "She was upset," he told police. "But she said I did the right thing in confessing."

New trustees of the grand council and their terms:

Chester D. Crowell, Syracuse, three years; George W. Wyman, Mount Vernon, two years; George W. Pratt, Corning, one year.

About 350 delegates and their families attended the two-day meeting.

## Can't Remove God From Russia: Graham

NEW YORK (AP)—Evangelist Billy Graham said today that "in spite of the fact that the Communist party is avowedly militantly atheistic, they have not been able to stamp out belief in God" in the Soviet Union.

The Montreal, N.C., preacher returned today off the liner United States from a six-month tour which took him to the Soviet Union and Australia.

He said he went to a number of services and he estimated that at least a fifth of the audience were teen-agers.

He said that although he spent only a week in the Soviet Union, "I was there long enough to hope and pray communism never controls the United States."

The evangelist was greeted by more than 200 persons assembled behind a banner which proclaimed "Christ lives. Trust Him."

Graham said he would leave for Washington Wednesday night to spend a day before returning to his home for two months.

## BOND DISILLUSIONMENT

Before me are three letters from conservative but disillusioned investors. Each letter carries the same burden of thought: high grade bonds were bought with precious money in recent years to build financial self-reliance and have proved very disappointing.

Today, these bondholders are seriously considering taking painful losses and with the proceeds buying common stocks that have doubled in price in a decade. Their experiences are universal in America. Narrating their stories may be helpful to others.

In 1947, the first investor bought some high grade American Telephone and Telegraph 2 1/2 per cent bonds due in 1982 at 100. Savings bank interest at that time was 1 1/2 per cent and to get 2 1/2 per cent on a long-term bond seemed the logical thing to do. Today this bond is 73 and the investor to sell his \$5,000 worth, he would suffer losses of \$1,350. In the meantime, A.T. & T. stock has boomed in price.

Likewise, in 1949 a second conservative investor bought some Standard Oil of New Jersey high grade 2 1/2 per cent obligations due in 1974 also at 100. Five \$1,000 bonds cost \$5,000. Just now they are worth in the market 81 cents on the dollar and were they to be sold, losses of \$950 would be established. Here again, the common stock has skyrocketed in price.

A third investor purchased the excellent 3 per cent bonds of England Telephone and Telegraph in 1949 due in 1974 at 100. Today they are way down in price.

Disillusionment in each case resulted in watching bond prices go down, stock prices up and living costs soar. Conservative investment has boomeranged.

What is behind all this? The best way to get at the bottom of this situation is to discuss basic interest rates.

By far the greatest force in the money market is that employed by the Federal Reserve Banks in close cooperation with the Federal Reserve Board. The seat of this power is right here.

Now in 1947 and in 1949 (when these bonds were issued and sold to investors) the rediscount rate at the banks hovered between 1 and 1 1/2 per cent yearly. (The rediscount rate is that charged banks by the Federal Reserve Banks on wholesale loans). In other words, basic interest rates were low and money was "cheap." At such times, corporations can borrow millions of dollars at 2 1/2 and 3 per cent.

Today, the rediscount value is high 3 1/2 per cent, and reflecting "expensive" money the prices of all high grade bonds have depreciated a great deal and millions of investors are consternated. They are asking themselves: "What price conservatism?"

All purchasers of fixed dollar values are subject to decisions of those who set interest rate scales. When money rates are low, bond prices will be high; when they are high, bond prices will be low.

Those readers whose bond fortunes parallel the experiences of the three conservative investors cited here should not even consider selling good bonds at losses. This is especially true if they are thinking of buying high priced common stocks.

Two rules of bond investment may safely be set down here: (1) avoid buying high grade bonds at high prices when money is cheap; (2) avoid selling high grade bonds when money (as at present) is expensive.

## THE FORUM

(Q) (From a score of readers)

"Do you think high money rates are here to stay?"

(A) No. A recession in the coming years would cause the authorities to reverse present "tight" money policies. Were this to happen, the bonds mentioned here would advance in price.

Harry C. France will answer one letter each week through this column. If you have any investment questions, write in care of this newspaper.

## Seneca Employees Reject Teamsters

By a vote of 29 to 25, with two votes cast against affiliation with the union being challenged by union officials and consequently not counted, the eligible employees of Seneca Grape Juice Plant at Highland rejected affiliation with Local 445, International Brotherhood of Teamsters. The total eligible voters who cast a vote was 56.

The election was held under National Labor Relations Board supervision at Highland Town Hall Monday afternoon between 4:30 and 5:30 o'clock.

The vote indicated the majority of the employees who would have been eligible for union membership preferred not to become unionized.

About two weeks ago a strike was called at the plant. Later a conference with management and employee representatives was called with a representative of the NLRB and pending the election called for Monday, June 29, the employees returned to work. During the time of strike the premises were entered at night and truck tires slashed. The act was reported to state police and an investigation made. A sheriff's deputy was stationed at the plant following the act of vandalism.

## U. S. Court Voids State Film Ban

ALBANY, N. Y. (AP) — New York State's movie censors today awaited clarification of a U. S. Supreme Court decision that might result in the need for legislation to keep them in business.

The court in Washington Monday voided New York's ban on the film "Lady Chatterley's Lover" and struck down the section of the state law under which the picture was prohibited.

Counsel for the State Education Department, which runs the censorship program, declined to evaluate the effect of the decision until he could study the exact language the court used.

## Section Unconstitutional

The majority opinion was that the section was unconstitutional on its face. Three justices disagreed. All however agreed that the application of the law against "Lady Chatterley's Lover" violated the Constitution.

The court's main opinion, written by Justice Stewart, held that the New York State law, as interpreted by the state's Court of Appeals, ran afoul of the First Amendment's guarantee of freedom to advocate ideas.

## Other Decisions

In other decisions affecting New York State, the court:

1. Declined to review the cases of three delegates to the Alachua gangland convention who have been ordered imprisoned until they answer questions of the State Commission of Investigation about the gathering.

2. Permitted the re-opening of a 1930 decree that regulates the amount of water taken by Chicago from Lake Michigan.

3. Dismissed an appeal by Charles Allen Taylor, who was unemployed for more than two years when the Defense Department suspended his security clearance. He was employed by the Bell Aircraft Corp. in Buffalo.

In the Lady Chatterley decision, the court noted that a ruling forbids a license to any motion picture that approvingly portrays an adulterous relationship without reference to the manner of its portrayal.

"What New York has done therefore," the opinion said, "is to prevent the exhibition of a motion picture because that picture advocated an idea — that adultery under some circumstances may be proper behavior."

In so doing, the opinion said, "the state, quite simply, has struck at the heart of constitutionally protected liberty."

"Lady Chatterley's Lover" is a film based on the D. H. Lawrence book about an affair between an

## Chewing Gum Handy Treat for Outings

Almost everyone looks forward to a picnic outing, especially the children. What a wonderful excuse for them to act like a bunch of wild Indians. But all their running and playing in the fresh air make them feel starved long before the picnic meal is ready.

Here's one of those times when chewing gum comes in so handy. Pass around some of the chewing gum you have tucked away in the picnic basket. You'll be pleased at the way it will keep everyone satisfied without spoiling anyone's appetite for your carefully planned picnic meal. Chewing gum will keep the mouth cool and moist during any activity, no matter how strenuous, and it can even be enjoyed with both hands busy.

Chewing gum is also a handy treat for keeping the whole family comfortably relaxed after the big picnic meal. And it will give the teeth a cleansing at the same time. So remember to include a supply of the family's favorite chewing gum when making up your picnic shopping list.

## Thruway Fatality

CATSKILL, N. Y. (AP)—Mrs. Hazel Ashley, 66, of New York City, was killed Monday when an automobile in which she was riding left the State Thruway and struck a rock abutment two miles north of the Catskill interchange.

## SHOKAN NEWS

SHOKAN—Callers in the hub of the reservoir country recently included Harrison Gridley of Shady. Professor Gridley, one of the oldest and best known educators in northern Ulster, having completed his duties at the Chambers School plans to take things easy while pursuing his hobby of collecting rare antiques.

Mrs. Max Holzer, the former Eva Cox, is again at her Route 28 home following a hospital sojourn in Kingston.

Mrs. Earl Elmendorf who was ill at her home—earlier in June is reported feeling much better at this time.

Mrs. Frank Morris whose death Tuesday at Daytona Beach was noted in Thursday's Freeman had a number of friends in Shokan

where she was born and brought up. The former Blanche Every's girlhood farm home here was the present Gabriel Richard Place on the old state road.

Mitchell Work of Belleville, Essex County, N. J., was in Shokan Friday. He was searching this part of the county for old drawings, prints and paintings.

## Baking Tip

You can use ungreased wrapping paper for lining the bottom of a cake pan in which cake batter (made from a mix) is to be baked.

## Remember This

The volume measure of a pound of confectioner's sugar (sifted) will measure from three to four cups.

## Chatham Mason Named Deputy For Area Council

GLENS FALLS—Harold D. Whitney of 18 Washington Ave., Chatham, was appointed district deputy grand master for District 1 of the Grand Council, Royal & Select Masters of the State of New York, at the Grand Assembly held here Monday.

Whitney's appointment was announced by newly elected Grand Master Harold M. Kreson of Horne.

His term of office is for one year, during which he will supervise the work of councils of Royal & Select Masters in Kingston, Poughkeepsie, Hudson, Catskill and Goshen.

Whitney is a member of Columbia Lodge No. 98 at Chatham; Lebanon Chapter No. 13, Royal Arch Masons, at Chatham; Hudson Council No. 62 Royal and Select Masters, at Hudson; LaFayette Commandery No. 7 at Hudson; and Cyprus Temple of the Shrine at Albany. He served as master of the lodge in 1942; High Priest of the Chapter in 1941; Master of the Council in 1946-47; and Commander of the Commandery from 1942 to 1945. He is a charter member of the Shrine Band which was formed in 1917.

He served as patron of Charity Chapter No. 47, Order of Eastern Star, at Chatham for 15 years and was District Grand Lecturer in the Columbia, Dutchess and Putnam District in 1949-50.

He is a past president of the Masters and Past Masters Association of Columbia District, a past president of the Past Commanders Association of the Central New York District and Past Grand Representative of Knights Templar in the Columbia District from 1956-58.

Whitney has served as treasurer of his church for the last 10 years. He is a life member of the Order of Railroad Telegraphers. He retired Jan. 31, 1958 as general agent for the New York Central Railroad at Chatham after 33 years of service. He currently is proprietor of Whitney's Rubber Stamp Shop.

## Completes Course

Army Pvt. Robert J. Cossano, son of Mr. and Mrs. Lester Cossano, 31 Prospect Street, New Paltz, completed the six-week supply course June 19 at the Ordnance School, Aberdeen Proving Ground, Md.

Pvt. Cossano was trained to maintain stock records and to receive, store, issue and ship ord-

nance equipment and supplies.

He entered the army last January and received basic training at Fort Dix, N. J.

The 23-year-old soldier is a 1954 graduate of New Paltz Central High School and attended New York State Teachers College in New Paltz. He was employed by Luckey Platt & Co., Poughkeepsie, before entering the army.

## NYC Seeks Guarantee On \$40 Million Loan

NEW YORK (AP) — The New York Central Railroad is seeking a government guarantee for a 40-million-dollar loan from eight insurance companies.

The money would be used to pay part of the cost of three major electronic yards and nine centralized traffic control projects.

Application for the guarantee was made Monday to the Interstate Commerce Commission,

which may authorize such guarantees under the Transportation Act of 1958.

The yard projects would be in Indianapolis, New York State and the Midwest. The exact locations have not been determined.

The traffic-control projects are scheduled for parts of the main line between New York and Toledo and between Terre Haute and Cleveland.

The Canary Islands, which belong to Spain, are just off the coast of Spanish West Africa. There are seven islands.

## Navy Man Still Critical After His Third Crash

BREMERTON, Wash. (AP)—Gerlando P. Iardi of Bath, N. Y., who has been the sole survivor in three Navy plane crashes, was still in critical condition today from injuries suffered in the latest smash.

Iardi, 32, suffered burns in the crash of a patrol bomber at Whidbey Island Naval Air Station near here May 11.

Six days ago, his heart stopped during anesthesia for a skin graft. Doctors cut into his chest and revived him with heart massage.

A doctor said Monday he was more hopeful now than he was several days ago that Iardi would recover.

Eighteen Navy men have died in the three crashes since 1946 in which Iardi, an enlisted man, was the only survivor.

## 200 Back on Jobs

BUFFALO, N. Y. (AP)—About 200 workers returned to their jobs at Bethlehem Steel Co.'s fabricating works today, ending a four-day strike.

The decision to return was reached Monday at a meeting of United Steel Workers Local 2605. Talks on the dispute were scheduled with management today.

The union said the walkout had been a protest against changes in work schedules.

A company spokesman called it a violation of contract.

## Teller Convinces Bandit

SYRACUSE, N. Y. (AP)—"I'm not kidding," said the nervous bandit.

"Don't be foolish. You'll get yourself into trouble," said the woman bank teller.

With that, the man took back his check made out for \$1,000 and his note saying "Give me the money or someone will get hurt," and left the downtown office of the First Trust and Deposit Co. Monday.

Police did not release the name of the teller.

## Sees Mate Killed

TABERG, N. Y. (AP)—An airline mechanic took a friend along and went for a spin Monday in his newly purchased light plane. Their wives watched from the ground.

The plane struck trees and crashed 15 minutes after the take-off from a small field near this Oneida County village.

The pilot, George Tork, 38, was killed. The passenger, John Wilbertson, 30, was injured seriously. Both men lived in Rome.

**TOO OLD**—George Burns has been making the night club tour lately by explaining, "I'm too old to retire." There is talk about him making a new TV show this fall.

## Hear About Two Shots

HOLLYWOOD (AP)—Six weeks before actor George Reeves committed suicide, his fiancée wrestled the death pistol away from him and fired two shots into his bedroom floor, the police have been told.

The police said Monday the report came from a woman friend of Miss Leona Lemmon, New York cafe society figure who has said she was engaged to marry Reeves, television's Superman. Reeves shot himself June 16.

## BRIDGE Eye on Discard Saves South

How would you play a three no-trump contract after receiving the favorable spade opening? Of course, you would have no trouble if you knew the location of the club honors.

In a recent team match both South players chose to respond one heart to partner's opening diamond bid and the three of spades was opened at each table.

One South took his queen and promptly led the jack of clubs and let it ride. East won with the queen and shifted to the king of hearts whereupon, South went down one trick.

The other South decided to run diamonds and see what would happen. Something did! West discarded the six of spades on the fourth diamond and now South who had hung on to all his spades, led a spade from dummy to his ace, then played his spade four.

This established the eight of

IN CELEBRATING ITS GOLDEN ANNIVERSARY, Mutual of Omaha proudly introduces  
a truly flexible pattern of lifetime protection for you and your family...

## THE GOLDEN ANNIVERSARY PLAN

For almost 50 years, Mutual of Omaha has been the leader in providing the American people with the best possible protection at the lowest possible cost. As an association of millions of policyowners joined together for Mutual protection and benefit—with over 325 claims-paying and service offices throughout the United States, its possessions, and Canada—Mutual of Omaha has al-

ways been mindful of its responsibility to provide its members with the most comprehensive and up-to-date coverage needed to meet today's higher cost of being disabled. Our new Golden Anniversary Plan—based on years of intensive research and study—is the direct result of this forward looking philosophy.

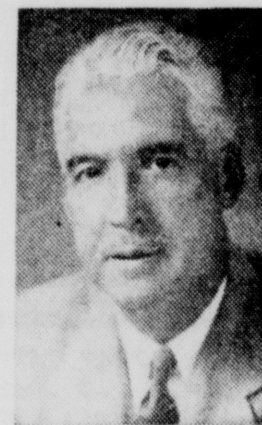

Just as modern medical science has recently registered spectacular

gains in its fight against sickness and accident, so the Golden Anniversary Plan marks an important advance in combating the financial distress that usually accompanies doctor or hospital visits—and the all-too-frequent loss of earnings. This plan is truly *tomorrow's* way of protecting your financial security today. Only Mutual of Omaha has developed a plan so comprehensive, yet so flexible that it offers a pattern of protection for almost every need and pocketbook.

No matter what type of insurance you now have, may I urge you—for your family's sake—to investigate carefully the new Golden Anniversary Plan. For full details—without cost or obligation—phone or visit your Mutual of Omaha office. Or mail the coupon below today.

Sincerely yours,

V. J. Skutt  
PRESIDENT

MUTUAL OF OMAHA...

# FIRST AGAIN, WITH THE MOST ADVANCED HEALTH INSURANCE PLAN IN 50 YEARS

MODERN PROTECTION THAT LASTS...  
not to age 50, 65 or even 75—but for life!

Just think what a wonderful feeling to have protection you can count on—year after year after year! No matter how many thousands of dollars you or your family collect in cash benefits—no matter whether your physical condition becomes impaired—your Golden Anniversary Plan will be renewed each year for as long as you wish—even for the rest of your life. Even

if you become overinsured or change to a more hazardous occupation, you will be eligible for protection for which you then qualify. Renewal may be refused only in case of fraud or a change to an uninsurable occupation. Furthermore, you cannot be *angled out* for an increase in premiums—rates can be changed only by class! Here is true lifetime protection!

PAYS YOU A REGULAR MONTHLY INCOME...  
not just for a few months or years—but even for life!

Pays you cash benefits not for just 3 months or a year, but for as long as disability lasts. Yes, according to the plan you select, this means an "emergency paycheck" of \$50.00 to \$500.00 a month to age 65 (62 for women) when you are unable to work because of a disabling accident or confining sickness beginning before age 65 or retirement—thereafter, \$25.00 to \$250.00 a month for as long as such disability lasts—EVEN IF IT'S FOR THE REST OF YOUR LIFE! Pays nonconfining sickness benefits for 4, 6 or 12 months, according to the plan

you select.

Pays one-half of regular monthly benefit for as long as 3 months when you're only partially disabled—up to \$25.00 for treatment of "disabling minor injuries." Senior Age Protection starts for disabilities after retirement or age 65 (whichever is earlier) and provides cash benefits of \$5.00 per day for as long as 180 days during hospitalization for either sickness or accident—plus \$5,000.00 for accidental death. Plan pays even if you also qualify for benefits from Workmen's Compensation or Employer's Liability. (Policy Form 40D0)

UP TO \$25 A DAY HOSPITAL BENEFITS...  
...for as long as 500 days for accident or illness!

Yes, the new Golden Anniversary Plan pays you up to \$25.00 a day—during hospitalization as provided by your policy—to help bring you the very best in modern hospital care. Even pays for as long as 30 days for hospitalization beginning after age 65 or for sickness

caused by mental diseases or disorders. These maximum daily room amounts depend on the particular plan you select. They can be applied to private room, semi-private, or whatever accommodations you choose! This plan even covers dental surgery, service, or repair.

MATERNITY BENEFITS, TOO!  
You collect up to \$250.00, according to plan selected, whether your child is delivered in or out of the hospital! Double benefits for twins! Benefits paid

for any childbirth occurring more than 10 months after policy date when both husband and wife are covered during the full term of pregnancy. (Policy Forms 40H/FH)

PAYS FROM \$7.50 TO \$375.00  
for surgical operations, dislocations or fractures!

This big benefit plan helps bring you the surgical care you need! Liberal schedule of benefits provides from \$7.50 to \$375.00 according to the nature of

the operation. Even covers dislocations and fractures. Pays whether operation is performed in hospital, doctor's office or your own home. (Rider 1741M)

Browne—Did my wife speak at the meeting yesterday?

Smythe—I don't know your wife, but there was a tall, thin woman who rose and said she could not find words to express her feelings.

Browne—That wasn't my wife.

We can understand why so many fathers worry about their sons—they used to be one themselves.

Insurance Executive (to new agent)—How did you ever come to write a policy on a man 98 years old?

Agent—Why, I checked with the census reports. According to them, only a few persons of that age die each year.

Sign posted in a midtown office: "The easiest way to make ends meet is to get off your own."

A man was tuning in on the radio, when he got a sudden twinge of pain in his back.

Man—I believe I'm getting lumbago!

Woman—What's the use? You won't understand a word they say.

Jumping to conclusions is not half as good exercise as digging for facts.

Boss—I thought you were ill yesterday Jones?

Jones—I was sir.

Boss—You didn't look very sick when I saw you at the track.

Jones—You should have seen me after the 4th race, sir.

Engaged Girl—Was father pleased when you told him you've saved \$500?

Flance—Pleased? I'll say. He asked if he could borrow half of it.

## List Summer Youth Meetings

NEW PALTZ, June 29—The Reformed Church active youth program was brought to a close for the summer at the Children's Day Service Sunday. As the task of Christian Education is a year-round responsibility special recognition was given to the young people who plan to attend summer youth conferences. They were challenged to make new friends, gain new insights and goals and upon return share with others the inspiration of their experiences.

The Reformed Church of this area sponsors a camp conference program at Denton Lake near Holmes, N. Y. Those who will attend the Junior-Hi Conference from July 12-18 are Kay Carvey, JoAnn Bennett, Linnea Nystrom, Betty Van Vliet, and Norma Nelson.

## Chevy heavyweight takes all the meanness out of tough hauls!

L.C.F. model 9103 maneuvers long load over rough terrain with ease.

When a truck goes to work for Lester Brothers, Inc., of Martinsville, Virginia, it's in for a life of extra-hard labor. Loads are whoppers—whole sections of Lesco prefab homes. Runs are scheduled without let up. And at the job sites the going's always tough. That's why Lester Brothers specify Chevrolet; why they're adding new ones as soon as the older models need replacing. Chevies take the meanness out of the roughest jobs. And they cost less to maintain than any other trucks Lester Brothers have owned!

A going concern like Lester Brothers, with tight delivery dates to meet every day in the week, demands maximum truck dependability and performance. And, mister, they get it—with most of their Chevrolets going at least 100,000 miles (some of them 150,000) before the engine heads even come off! With big truck V8's that hum right along on hurry-up schedules. With Chevy trucks that are easier to handle, specialists at getting in and out of congested job sites.

This particular operation sure points up Chevrolet's natural ability to handle any kind of job that could come along. It illustrates what we've been saying for a long time—that once you put a Chevy on the payroll, that tough job loses its fight fast and settles down to a smooth-running routine. If your job demands even half as much as this one does, you've got good reason to visit your Chevrolet dealer. He's the man with specific information... the man to see before another good working day goes by.

No job's too tough for a Chevrolet truck!

## Immunity Case Raises Doubts New Ruling Seen Necessary To Clear High Court Decision

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON (AP) — The Supreme Court has opened a door which may get so crowded with intruders that another Supreme Court decision will be needed to clarify what the court did Monday.

It said in a 5-4 ruling — that policy-making government officials are absolutely immune to libel suits against them for something they said or did in what they considered line of duty.

**Warren Disagrees**  
But Chief Justice Earl Warren, one of the four who disagreed with the majority opinion, raised the specter of these officials defaming their critics under the protection of absolute immunity to libel suits.

"It will sanctify the powerful and silence debate," Warren said. Under the majority opinion could a policy-making official, angered by newspaper criticism of him, deliberately and dishonestly, under the guise of official concern for his agency, defame the newspaper with immunity?

It's not clear. The opinion doesn't seem very clear to Warren. He said the court, by its reasoning, has set up an uncertain standard which is not a guide at all for these policy-making officials to follow.

He suggested the court will have to give new appraisals—because he does not think this opinion is clear enough to be final—on almost every charge of defamation by a government official.

**Opinion Involves Two**  
Monday's opinion involved two government employees who were suspended and denounced in a press release in 1953 by the director of rent stabilization for the way they handled cash annual leave settlements for some agency employees.

Justice John M. Harlan, writing the majority opinion, said the problem was one of balance: the protection of an individual citizen from oppressive or malicious damage by a government official against the protection of the public interest by shielding government officials from the "harassment and inevitable hazards of vindictive or ill-founded damage suits."

Harlan wrote: "In this instance it has been thought in the end better to leave unredressed the wrongs done by dishonest officers than to subject those who try to do their duty to the constant dread of retaliation."

**Goes Too Far: Brennan**  
Justice William J. Brennan couldn't accept this reasoning. In his dissenting opinion he said absolute immunity for officials below Cabinet rank goes too far. That kind of immunity makes them libel free even though they

defamed someone maliciously and untruthfully.

Brennan would grant policy-making officials—below Cabinet rank—no more than qualified libel-immunity. That is, they would be protected in their "honest mistakes" against a libel suit but not when it could be shown they had committed dishonest and malicious defamation.

In one way or another high-ranking members of the three branches of the government—legislative, judicial, and executive—already have absolute immunity to libel suits under certain circumstances.

But this is the first time it has been extended so far down in the line of command.

The Constitution itself gives members of Congress absolute immunity against a libel suit for anything they say in Congress. This does not mean they are libel-free if they defame someone, say, on TV or radio.

But the Supreme Court itself has never ruled on just how much immunity members of Congress have for what they say or do outside the Capitol and their congressional office buildings.

About 65 years ago the court gave absolute immunity to libel action to members of the President's Cabinet—department heads appointed by law—for matters committed by law to their control or supervision.

And the Supreme Court has ruled that judges of courts of superior or general authority are absolutely immune to civil suits for damages because of actions by the judges while acting officially, no matter what their motives.

## 2 Boys 'Freeze' On Trestle. Are Killed by Train

CALEDONIA, N. Y. (AP)—Two small boys, frozen in terror, huddled on a railroad trestle Monday as a pounding freight train bore down on them, bringing them death.

Paul Lathan was knocked off the bridge and into the creek 20 feet below, killing him. He died on his seventh birthday.

His friend, William Hayward, 8, was dragged by the engine.

The boys had gone to the trestle from their homes in nearby Mumford on a fishing trip with Paul's father, Norman.

Police said the train rounded a bend close to the bridge and caught the boys on the narrow side with the father on a catwalk opposite.

They said the father tried to get the boys over to the catwalk but that they panicked and wouldn't go.

"I saw that train and I hollered to the boys to get across the track to the catwalk," Lathan related. "Then the train came by. When it passed, I looked across and they were gone."

## Corning Outlook Better on Water

CORNING, N. Y. (AP) — The water shortage here abated somewhat today, but this city of 19,000 still remained under a state of emergency.

Specialists from a firm in Albany checked over the water system trying to learn what had caused the city's two reservoirs to go dry.

Authorities said the long dry spell, or perhaps a major break in the system, had caused the shortage. The level in the city's main source, an imponding basin fed by water from wells and by seepage, was too low to provide a normal supply.

There was no estimate of how long the shortage would last, but water began seeping back into the reservoirs late Monday and residents had enough water for their immediate needs.

Fire trucks with tanks of water stood by for the second day today, however, because pressure in hydrants was still low.

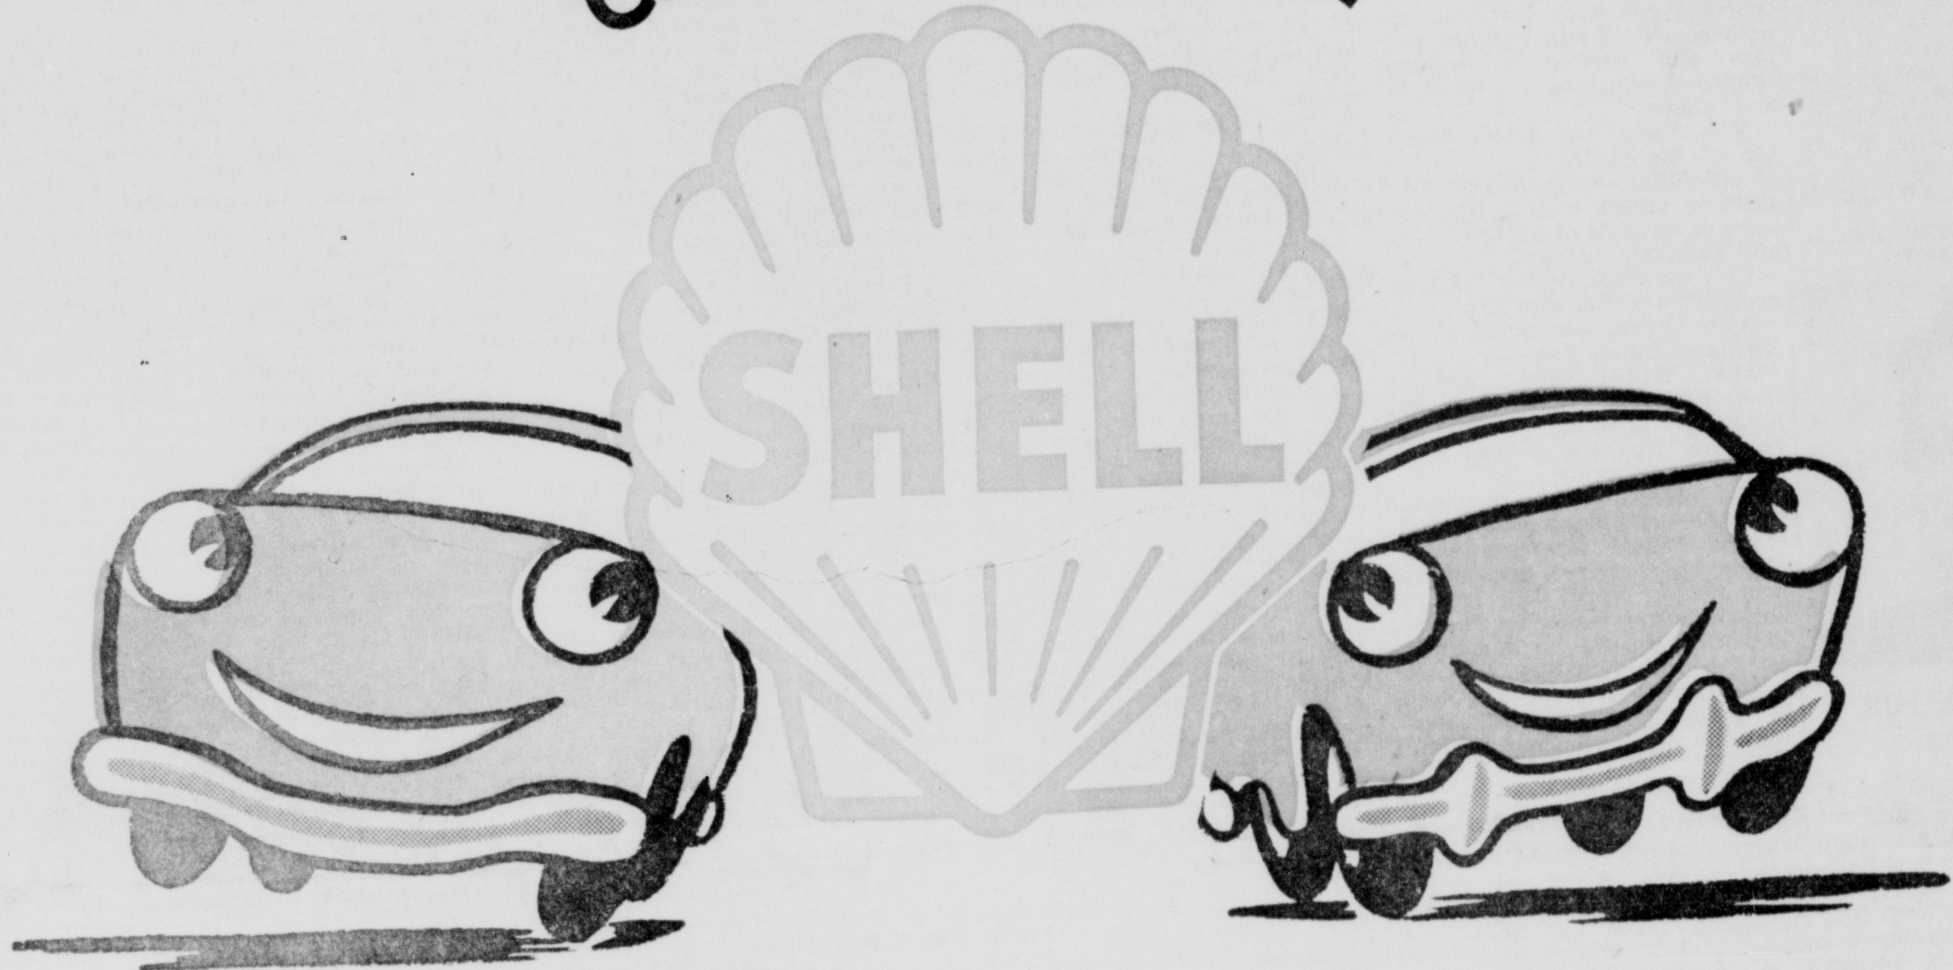

Mayor George E. Keenan called the emergency Monday. He banned using air conditioners that operate with non-recirculating water, sprinkling lawns, washing cars and filling swimming pools with municipal water.

His home was one of about 500 in the hill section that had water for a time.

Betrothed Girl  
Sets Wedding Date

MARY E. PARSONS

Edell-Walsh  
Wedding Announced

Exchanging nuptial vows at the Evangelical Lutheran Church of the Redeemer on Wurts Street, Sunday, June 28, were Mrs. Shirley M. Hotelling Edell, daughter of Mrs. Mary Hotelling of 37 Van Buren Street, and George E. Walsh of Farmingham, Mass.

The bride is the daughter of the late Kenneth L. Hotelling. Her husband is the son of Mrs. Lena Merritt of 10 Elder Street, Farmingham, Mass., and the late Edward Walsh.

Officiating at the double ceremony was the Rev. David Gaise. Mrs. Lester Decker was organist and Kenneth L. Hotelling Jr., brother of the bride, was the soloist.

Yellow mums, yellow gladioli and light blue delphiniums decorated the church for the occasion.

The bride wore an ice blue embroidered organza sleeveless sheath dress with matching bolero jacket. The skirt was accented by a large draped bow on one side. She also wore a matching ice blue hat of velvet profile with a large bow and carried a nosegay of lily-of-the-valley.

Matron of honor and sister of the bride, Mrs. Nancy Lowe of 85 Shufeldt Street, wore a pale blue silk organza dress, full skirted over matching taffeta. She also wore a matching head-covering veil with scattered veil with scattered silk organza popovers and carried a crescent shaped bouquet of yellow mums and gladioli.

Miss Mary Ann Edell, daughter of the bride, wore a white nylon chiffon gown with bouffant skirt in street length. She also wore a corsage of yellow mums and bachelor buttons.

Clayton Robinson of Connecticut was the best man.

A reception was given at the Kirkland Hotel, this city.

Mrs. Walsh was graduated from Kingston High School and Kingston Hospital School of Nursing. She has served as a private duty nurse.

Mr. Walsh was graduated from Farmingham School and attended Boston Conservatory of Music. He served as a special officer during World War 2. He is now orchestra leader for the Nat Walsh Orchestra in Massachusetts.

Mr. and Mrs. Walsh will reside in Farmingham, Mass., when they return from their wedding trip.

Phyllis McMeekin and John Mathewson Wed  
June 27; Will Reside in Albany, Oregon

Miss Phyllis Carol McMeekin, daughter of Mr. and Mrs. David Walker McMeekin of Kingston, wed John Corey Mathewson, son of Mr. and Mrs. Robert Mathewson of Dunedin, Fla., on Saturday, June 27 at Old Dutch Church.

The double ring ceremony took place at 2 p. m., with the Rev. Arthur Oudemool officiating.

Mrs. Albert Sonnenberg sang "Oh Promise Me," "Because," and "The Lord's Prayer."

Federal beauty baskets of white gladioli, daisies and snapdragons, decorated the church for the occasion.

Given in marriage by her father, the bride wore a gown of French hand-clipped lace with a Sabrina neckline trimmed with sequins. A princess panel down the front of the gown was decorated with butterfly sequin bows. The gown was also styled with long fitted sleeves ending in points at the wrists. A queen's crown of sequins and pearls held a three tiered silk French illusion veil. The bride carried a white orchid with six phalaenopsis orchids and stephanotis.

Miss Margaret M. Hall of Philadelphia, Pa., served as maid of honor. She wore a pink embroidered silk organza gown in ballerina length with matching headpiece and accessories. Her flowers consisted of delphiniums, roses, ivy and baby's breath which she carried in a fireside basket.

Cousins of the bride, Mrs. Frederick Wempe of Stamford, Conn., and Mrs. Robert Whitten of Sherrill, were the attendants. They both wore blue embroidered silk organza gown in ballerina lengths with matching headpieces and accessories. They carried baskets of shaded delphiniums, roses and ivy.

Miss Brenda Lee Ware, Kingston, was flower girl and she wore a pink chiffon floor length gown with matching headpiece. She carried a miniature fireside basket of sweetheart roses, ivy and baby's breath.

Edward Beck of Framingham, Mass., was best man. Ushers were Warren Clark, Visalia, Calif., and Paul Watson, Salem, Ill.

More than 150 guests were entertained at a reception in The Capri, Port Jervis.

The bride was graduated from White Plains High School, Southern Seminary and Junior College and Krissler Business Institute. She was recently employed by the Prudential Insurance Company in Kingston. Her husband, an alumnus of Millcreek High School, Erie, Pa., also completed studies at Naval Electronic School in Chicago, Ill. He was a member of the U. S. Naval Submarine Service for three years and is now employed as a field engineer for IBM.

For her wedding trip to Denver, Colo., Mrs. Mathewson wore a gray-green summer suit with black and white accessories and a corsage of feathered carnations.

Mr. and Mrs. Mathewson will reside in Albany, Oregon.

LT. AND MRS. EDMUND L. BOWER (Kelsey photo)

Miss Priscilla May Sylvia, daughter of Mr. and Mrs. John F. Sylvia of Falmouth, Mass., wed Lt. Edmund Livingston Bower of Otis Air Force Base, Falmouth, Mass., son of Mr. and Mrs. Edmund R. Bower of Hurley, on June 6 at the John Wesley Church, Falmouth, Mass.

Officiating at the double ring ceremony was the Rev. Campbell B. Carmichael. David Kay was organist.

White gladioli and palms decorated the church for the occasion.

The bride was given in marriage by her father. She wore a white silk chiffon gown with a Sabrina neckline outlined with Alabaster lace and trimmed with water crystals and seed pearls. The bouffant skirt terminated in a full train. Her fingertip veil was gathered to a crown of crystal and pearls and she carried a cascade bouquet of white orchids with roses and pinks.

Miss Carol Sylvia, the bride's sister, was maid of honor. She wore a short sleeved ballerina gown styled with a nylon fitted bodice with pleated skirts in aqua. Her picture hat was

crownless and she carried a cascade of pink roses and aqua pompons.

Wearing the same styled gowns as that worn by the bride or attendant, were the bridesmaids, Miss Sandra Sylvia, bride's sister, Miss Linda Ferreira and Miss Jane Crane, all of Falmouth, Mass.

Best man was Lt. John P. MacMahon of New Jersey. Ushers were Lt. Clyde Fasik, Lt. David Wesmar and Lt. Robert L. Sock. All are stationed at Otis Air Force Base.

A reception was given at the Officers Club on Otis Air Force Base. Guests from Kentucky, New Jersey and New York attended.

The bride was graduated from the Lawrence School at Falmouth and is employed as a secretary in Hyannis, Mass. Her husband, an alumnus of Kingston High School, also completed studies at Union College, Schenectady.

For her wedding trip to New Hampshire, the bride wore a powder blue outfit with white accessories and a white orchid.

The couple will reside in Hyannis, Mass.

## AN ATTENTIVE HUSBAND

Dear Mrs. Post: The other evening my husband and I and another couple went to the theatre. I had on a thin summer dress and wore no coat as the evening was quite warm. The theatre, however, was air-conditioned and our seats must have been right near one of the air vents as it was very cold. I thought it would warm up after awhile but it seemed to be getting colder and I could hardly keep my teeth from chattering. After his jacket and put it over my shoulders. He was criticized for this and was told that it was very improper to sit in the theatre in his shirt sleeves. Was this such a terrible breach of etiquette?

Answer: It is improper to sit in a theatre in one's shirt sleeves, but as your husband's doing so was very obviously because of his praiseworthy concern in your comfort, I do not think he should have been criticized.

## When Husband Is Away

Dear Mrs. Post: Can a wife properly accept an invitation to a party without her husband? My husband is a salesman and is out of town a good deal. Very often I will receive an invitation to a wedding, or party, while he is on the road. Must I decline those invitations unless he can go with me?

Answer: You can accept any general invitation you like. You cannot go to a party where his absence will make a difference to the plans of the hostess, such as a dinner or card party.

## Guests Leaving an Apartment

Dear Mrs. Post: I live on the fifth floor of a large apartment house. When friends come to visit me in the evening, is it necessary to walk out to the elevator with them when they leave and wait until it arrives? Answer: It is better to see departing guests into the elevator, but this is not necessary, especially if it means your leaving other guests alone.

Mrs. Post offered leaflets on a variety of subjects concerning etiquette. If you would like to have her leaflet L-20, entitled "Visiting Cards and When to Leave Them," send 10 cents in coin to Dept. EP, care of The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y. Mrs. Post is sorry she cannot answer personal mail.

St. Joseph's Is Scene of Wedding June 27  
For Jean Hamm and James R. Fuller

MRS. JAMES R. FULLER (Pennington photo)

On Saturday, June 27, at 2 p. m., Miss Jean Marie Hamm, daughter of Mr. and Mrs. John R. Hamm of Corning, wed James R. Fuller, son of Mr. and Mrs. William T. Fuller of Noones Lane, Kingston.

The double ring ceremony took place at St. Joseph's Church.

Mrs. Frank Rafferty was organist and Abram Molyneux, soloist.

White gladioli and delphinium decorated the church.

The bride was given in marriage by her father. She wore a bouffant white organza gown styled with cap sleeves, scooped neckline and fitted bodice with a bustle bow of organza. The skirt terminated in a chapel train. The bodice and front panels of the skirt were embroidered with a dogwood design. A short three tiered French illusion veil was held in place with a cascade of seed pearls and lace circles. The bride carried a cascade of white orchids, white roses and stephanotis.

Maureen Donnelly of Kingston was the maid of honor. She wore a white Swiss organza styled with scooped neckline, cap sleeves and bell skirt. Her dress, embroidered with tiny pale yellow roses, featured a pleated cummerbund and bustle bow in pale and golden yellow. Her headband matched the cummerbund. Miss Donnelly carried a cascade of yellow and white swansons.

Lori Anne Warshauer, the bride's niece, wore a white eyelet organza over yellow. She was the flower girl. Miss Warshauer carried a basket of yellow and white daisies.

Peter Rakov of Kingston was best man, John Edwards and William Brattain, both of Woodstock, were ushers.

A reception was given at the Nieuw Dorp in Hurley.

Mrs. Fuller was graduated from Corning Free Academy and Eastman Dental School. She is a dental hygiene teacher in the Kingston School System.

Mr. Fuller is an alumnus of The Choate School, Lafayette, Ind. He is employed by the Pine Grove Manufacturing Company, Inc., this city.

For her wedding trip to Jamaica, B. W. I., the bride chose to wear a white sheath embroidered with beige and white accessories and an orchid.

Mr. and Mrs. Fuller will reside on Ohayo Mt. Road, Woodstock.

### June 21 Wedding For Florence Caspersen And Joseph E. Hoffman at St. Joseph's

MR. AND MRS. JOSEPH EDWARD HOFFMAN (Photo Workshop)

Miss Florence Caspersen, daughter of Mr. and Mrs. Arfst Caspersen of Stone Ridge, exchanged nuptial vows with Joseph Edward Hoffman, son of Mr. and Mrs. Joseph Hoffman of 245 East Chester Street, on Sunday, June 21 at 1:30 p. m. The double ring ceremony took place at St. Joseph's Church, this city. The Rev. Joseph Keating officiated.

Mrs. Frank Rafferty was organist and Robert Gallo, soloist. Given in marriage by her father, the bride wore a gown of peau de soie and Alencon lace fashioned with a molded long torso, long sleeves tapered to points over the wrists and a bateau neckline. The full skirt swept back into a chapel length train. A princess crown of orange blossoms secured the fingertip French illusion veil. The bride carried a cascade of white orchids, stephanotis and ivy.

The matron of honor and bridesmaids wore gowns of re-embroidered French cotton lace styled with molded bodices and satin midriffs with back stream-

ers and bouffant skirts of nylon dotted Swiss over taffeta in ballerina length. Colors were party pink and sea aqua.

The attendants carried fireside baskets with pink roses and baby's breath.

Serving as matron of honor was Mrs. John Steenburgh of Stone Ridge. Attendants were Mrs. Raymond Morris of New Paltz, and Miss Henie Hansen of Yonkers.

William Smith of Kingston served as best man. Ushers included Gerald Fitzgerald, the bridegroom's cousin.

Joseph Berryann, the bride's nephew, was child ringbearer.

A wedding reception was given at The Alpine in Rosendale.

The bride and her husband were both graduated from Kingston High School. Mrs. Hoffman is employed by IBM in Kingston. Her husband is employed by Rotron, Woodstock.

For her wedding trip, the bride chose to wear a blue suit with accessories and a white orchid.

The Hoffmans will reside at 173 Henry Street when they return.

#### Cook Outdoors

Here's a tip, girls... a word of flattery to that man of yours will get you out of the kitchen on many hot evenings this summer.

Praise his skill as a backyard chef, tell him that he is the only Cookout Champion. Before you can turn around, you will find yourself seated, front and center, watching an outdoor cooking performance with that man of your life playing the starring role. Believe me, it works!

Popularity of outdoor cooking is expected to reach a new peak this summer, particularly in July and August when families in record numbers will head for the patio, the backyard, the beach, or the picnic area to enjoy a meal in cool, relaxing surroundings.

Not only has outdoor cooking pushed the barbecue-grocery industry to new production heights but it also has created such unusual sidelights as a Cooking Championship "for men only."

The Cookout Championship will draw the interest of thousands of men, inasmuch as it will determine the champion backyard chef of the nation. Men who submit the best recipes for their main dish specialty will participate in a spectacular "Cookoff" next November at the Hawaiian Village Hotel in Honolulu.

Although the Cookout Championship is for the man of the house, credit for the great popularity of outdoor eating must be given to America's homemakers. Women definitely have encouraged this casual outdoor living trend inasmuch as it generally means relaxation for them, since the men do most of the work around the barbecue. Most women, and rightfully so, prefer to be with the crowd, clustered around the outdoor grill, rather than hang over a stove alone in the kitchen.

So girls, talk your way to outdoor fun by flattering that man of yours. He will be tickled pink to demonstrate his cooking skill for you. Many a man who will not boil an egg indoors turns into a master chef at the outdoor grill, a real Cookout Champion.

There remains only one problem—it's difficult to convince these champions they should do the clean-up job as well!

#### Mama in the Woods

American homemakers are taking to the woods. Between now and Labor Day an estimated twenty million women are expected to push aside their fear of crawling things and invade the heman world of camping, according to a survey of the reservation offices in our state and national parks.

This is double the number of distaff campers who roughed it

#### Showdown Due Friday

ST. LOUIS (AP)—The issue of segregation in public schools once more is threatening to split the nation's largest educational organization along geographical and racial lines.

White delegates from the South want the National Education Assn. to adopt the same mildly worded resolution that was accepted after a bitter fight in Cleveland last year. Negro delegates, with the support of some Northern whites, want a strongly worded statement condemning racial segregation.

Advocates of a strong stand lost a skirmish Monday, but indicated they plan to keep fighting. The showdown will come at Friday's general session.

The proposed statement on integrating public schools called for a "spirit of fair play, good will and respect for law," and said the problem can be solved at local levels "by citizens of intelligence, sane ness, and reasonableness working together."

### Audrey J. Tubby Weds V. P. Albright At St. Mary's Church

Miss Audrey June Tubby, daughter of Mr. and Mrs. William Tubby of 87 Franklin Street, wed Victor Philip Albright, son of Mr. and Mrs. Irving Albright of 141 Green Street, Sunday, June 14 at 2:30 p. m.

The double ring ceremony took place at St. Mary's Church with the Rev. Francis X. Toner officiating.

Theodore Riccobono was the organist and Angelo Corrado, soloist.

Floral decorations for the occasion included baby's breath, white carnations, gladioli and ribbon, the latter marking the pews.

The bride was given in marriage by her father. She wore a gown of nylon lace and tulle the bodice of which was lace. The gown also featured an illusion yoke and Peter Pan collar, long fitted sleeves which terminated in points at the wrists, and a bouffant skirt of nylon ruffles and lace overskirt ending in a cathedral train. She also wore a princess crown of iridescent sequins and seed pearls to which was gathered a veil of French illusion. The bride carried a white orchid on a lace covered prayer book with satin streamers.

Miss Ethel Albright, the bridegroom's sister, served as maid of honor in a gown of peacock blue nylon over tulle in waltz length. She carried a bouquet of blue delphinium.

Pink and coral tulle waltz length gowns with side drapes were worn by the attendants who were Irene Albright of 141 Green Street; Florence Rice, 171 Lincoln Street; Marlene Nickerson, 20 Hone Street. They carried pink and blue delphiniums.

Darlene Bence, in a white nylon and tulle waltz length gown, served as flower girl. She carried pink carnations with blue delphinium.

The bridegroom's brother, Urban Albright, was best man. Ushers were Vince Kelder, the bride's brother, George Albright, the bridegroom's brother, and Jack Effner of Delaware Avenue. Bruce Tubby was child ringbearer.

A wedding reception was given at the Yacht Club.

The bride and her husband were both graduated from Kingston High School.

For her wedding trip, the bride wore a white dress with blue accessories and a white orchid.

### Dutch Exchange Student Leaves Kingston Tomorrow for Home After Year's Stay

BRIGITTA von HOOOVEN (Freeman photo)

By DOROTHY A. NAREL  
Freeman Society Editor

Tomorrow morning, Miss Brigitta von Hoooven, daughter of Mr. and Mrs. E. C. von Hoooven of Dordrecht, Holland, will leave Kingston along with 35 other exchange students, staying here overnight, for her return trip home.

After a year's stay with Mr. and Mrs. Floyd Ellsworth of Port Ewen, who took her to visit numerous colleges, universities, museums, also studying at Kingston High School, and learning first-hand about the American way of life, Miss von Hoooven leaves behind her many friends and memories.

Contrary to the warnings of her gymnasium principal in Holland, Miss von Hoooven has found that America isn't all "Rock and Roll."

"I think I have acquired a better knowledge of Americans," she said in a personal interview at the high school recently.

Americans' love for money and general superficiality were touched upon by Miss von Hoooven.

"It is a generally drawn conclusion in Europe that all Americans are very superficial," Brigitta said. "It took me a little time to establish myself with friends who were genuinely interested in me, and I did find a great deal of superficiality among Americans."

Brigitta also stated that although money is, naturally, an important factor in life, Americans tend to make it the ONLY thing in their lives.

A graduate of gymnasium, Miss von Hoooven will vacation in Holland for two months and then study for a year at the Sorbonne, University of Paris. She will receive no academic credit for her studies at Kingston High School.

American history and home economics were listed among her favorite subjects at KHS and

when asked which subject she would recommend as a necessity for other exchange students, Miss von Hoooven said, "... public speaking." The public speaking course was listed among her many courses at KHS, and Brigitta found it helpful during her appearances throughout the area as a guest speaker.

The charming young student is, of course, anxious to be home to see her parents, brothers, Jan and Eefje, and sisters, Patt and Margaret again.

Her bus trip will include visits to New York City, Pennsylvania, Ohio, Illinois, Indiana, West Virginia, Washington, D. C., and then to Montreal Canada for her voyage home.

In the opinion of this reporter, for whatever it may be worth, it would seem that a gymnasium graduate would probably find more in common with students on a junior college level than high school. This may account for some of Miss von Hoooven's opinions and may well be a point to consider next year when the American Field Service makes another selection for our area high school.

### Club Notices Civil Air Patrol

Kingston Composite Squadron, Civil Air Patrol, will hold its regular meeting Wednesday at 7:30 p. m. in Lawton Park on the Boulevard. A picnic for members at the park will be held prior to the meeting. Starting time is listed at 6:30. Plans will be discussed for the squadron's participation in the July 4 parade at Saugerties. No uniforms will be worn at the picnic.

during the holidays last year, and five times larger than in 1955 season.

Women have changed their minds again, this time thanks to manufacturers of deluxe camping equipment, who are appealing directly to the women of the house. Just about everything in the way of camping gear from pink pup tents to candy striped sleeping bags has been designed to lure mamma into the woods and with her goes the rest of the family.

Veteran sportsmen may wail loud and long over the invasion of style and fashion and color but they haven't seen anything

yet. This summer, vacation camp-grounds of the nation will be dotted with such innovations as orange wind-break patios, baby blue duplex tents that can be mounted on top of a station wagon, and portable showers, not to mention inflatable tents and disposable ones, and every fluorescent-light fixtures to portable varieties. Under a pastel awning, one is also likely to uncover a shiny red folding stove, replacing the old-fashioned campfire.

Alas, men, even the sheltered arms of the forests no longer remain exclusively yours!

# Wiltwyck Country Club Plans Memorial for Sylvia Voss

ALL FOR THE PRICE OF ONE—Elephants parade past White Sox dugout at Chicago's Comiskey Park between doubleheader games with New York Yankees June 28. Sox president Bill Veeck brought in part of a circus to entertain 40,000 fans. The White Sox won both games, 4-2 and 9-2. (AP Wirephoto)

## Special Tourney Planned Inside County Event

Wiltwyck Country Club will stage a special tournament as a memorial to the late Sylvia Voss of Phenicia within the first annual Babe Didrikson Zaharias Cancer tournament, it has been announced.

Mrs. George C. Rifenburg, chairman of women's golf activities at Wiltwyck and president of the newly formed Ulster County Women's Golf Association, said the tournament would be restricted to Wiltwyck players who compete in the county's championship.

A memorial plaque has been donated by Clarence T. Voss, husband of the one-time New York state star, who for several years was a member of the original Wiltwyck club. The plaque will remain at the country club.

The name of the low net Wiltwyck shooter in the Zaharias tournament will be inscribed annually on the Voss Memorial plaque.

### Was Excellent Goifer

Mrs. Voss was regarded by golf experts of her time as perhaps the greatest woman golfer this area has ever produced. She won numerous club and regional titles and was a standout competitor in several New York State women's championships.

"We are very happy to institute a memorial for Sylvia Voss," said Mrs. Rifenburg. "Those of us who knew her recall Mrs. Voss as a great golfer and a remarkable lady. It is highly appropriate that she be memorialized in this particular tournament."

### Association Meeting

A general membership meeting of the county organization held Monday at Wiltwyck heard the by-laws read by Mrs. Wiggie de Lisio of Woodstock, chairman of the by-laws committee.

Mrs. Rifenburg announced the appointment of a prize committee composed of Mrs. George Schneider, chairman; Mrs. Fredrick P. Platt, Woodstock; Mrs. Joseph M. Wiltwyck and Mrs. Edward Passmore, Shawangunk Country Club.

The problem of adjusting handicaps for the county championship was left with a committee made up of the handicap chairmen at the respective clubs. It was announced that the association already has 75 paid up members.

### Hunting Help

Barn owls have great reflector disks around the eyes. These pick up enough light to let the bird spot its victims on dim hunting nights.

## Invitational Set Wednesday At Wiltwyck CC

Wiltwyck Country Club women anticipate a record breaking entry for their annual Invitational tournament Wednesday.

Invitations have been extended to more than 35 mid-Hudson district clubs, including those in the Eastern New York Golf Association, Hudson River Golf Association and independents.

Competition will be in three classes, according to handicaps, and there will be many attractive prizes. Players will start teeing off at 8 a. m.

## Alpine, Shannon Clubs Get Wins

Henry Passante continues to shine in the City Softball League. Last night he hurled his Alpine Tavern club to a 5-4 decision over Pat and George and the winners now need only three victories to clinch the league title.

The Highland ace, who is on a spaghetti diet, socked three of his club's nine hits off Frank Couillard, the New Paltz ace. Sam Williams rapped two hits and John Ruzzo had a double. A four run fourth frame won the game for Alpine.

In another league tilt, Shannon's pushed a run across the dish in the seventh to nip Chez Emile, 5-4. Mike Boyle picked up the decision in relief and Corky VanVliet lost it.

Cliff Schoonmaker tripled for the losers and Bob Martin had a two base hit for Shannon's. Both clubs had productive fifth innings with Shannon's scoring three runs in the inning and Chez Emile coming back with four to knot the count.

## Prince High Choice At Monticello Tonight

MONTICELLO—Prince High, owned by the Bon Chance Stables, of Red Bank, N. J., and Sardi Hanover, driven by John Belote, are early choices for tonight's feature event at Monticello Raceway.

Prince High captured a photo finish victory Friday night with Norman Stephens urging the 10-year-old gelding under the wire in front of Shum Ba Dell for an \$18.50 payoff. He will move out from the third post.

Sardi Hanover racked up a two length victory last Wednesday, coming home in front of Skeeter Salyer. Skeeter, with William H. Popfinger holding the reins, will have the five post position tonight. Sardi Hanover works out of the seven post.

Bobby Campbell will take Tanglefoot to the race in this event and Gene Daisey will be in Blair Hanover's sulky.

## Wrens Get Win Over Owls, 6-2

Jeff Sperling hurled the Wrens to a 6-2 decision over the Owls in a Jaycee game. The winners only had three hits but they took advantage of eight bases on balls and some sloppy play to record their decision.

Starter Jordan Pauker was the loser for the Owls. Daniel Gaffney finished. Niel Pauker had two hits for the losers.

Indians	000	200-2	4

### Dodgers Club Red Sox, 19-9

The Town of Hurley Dodgers had their hitting shoes on last night and they walloped the Red Sox, 19-9. Vince Crantz, who relieved starter Bob Stahl in the fifth, became the winner when the Dodgers tallied five times in each of the last two frames.

Richard Hart hit a homer for the Sox and Al Vogt had four straight doubles.

### Scoring by innings:

Dodgers	260	135-19	7
Red Sox	221	400-9	8

### Yankees Top Dodgers, 21-12

Aided by a 12 run first inning, the Yankees held on and shellacked the Dodgers, 21-12, in an East Kingston-Glasco Little League contest last night. The winners clinched the tilt with an eight run blast in the third frame.

Alan Bechtel had a pair of doubles and a single to lead the attack for the Dodgers. Dom Sasso stroked two doubles and two singles for the Yankees in five trips to the plate.

Matty DePolio was the winner. He surrendered 14 walks but struck out 15 batters. Bruce Mauro lost it.

# Dutchmen Pin 5-1 Defeat on Detroit Stars

## Santmire Makes Hurling Debut For Saugerties

Glen Santmire, former Roosevelt High School star athlete, made his pitching debut with the Saugerties Dutchmen a success-

ful one last night as the home side won a 5-1 exhibition from the Detroit Stars.

The contest was called after the seventh inning because of darkness. The Stars were an hour late in arriving at Canine Field.

Santmire, one of the bright prospects in the area, fanned six and allowed only four hits.

A good hitter, he walloped a booming triple to help his cause. The Dutchmen, who have a July 4 date with the Poughkeepsie Hoe-Bowl nine, pulled a triple play in the fifth inning.

The box score:

### Basilio Protege Krucuse Winning

SYRACUSE, N. Y. (AP)—Per-

haps Carmen Basilio should forget about Sugar Ray Robinson and become a teacher full-time.

He seems to do well at it. His pupil Dickie DiVeronica stopped out his 18th straight boxing victory Monday night by knocking Norm Gautreaux of Canada in the third round of an eight-round main event.

DiVeronica weighed 137 and Gautreaux 138.

It was the first outdoor card at MacArthur Stadium in six years.

Basilio, former middleweight champion and ranking contender, was in DiVeronica's corner during the bout.

DiVeronica, 21, of Canastota, Ga., is a hometown, staggered Carmichael with a long right at the end of the first round. Then he floored the Canadian twice in the second round and twice more in the third before the referee stopped it.

### Yanks Seek To Get Hot In AL Race

By ED WILKS

Associated Press Sports Writer

The American League pennant race, so far a scramble of winning streaks and slumps, gets rolling tonight on what could be 10 telling days for the five contenders — Cleveland, Chicago, Baltimore, Detroit and New York.

In those 10 playing days, sandwiching the break for the All-Star game at Pittsburgh a week from today, two of the three western wonders will face each other every day.

Cleveland, first a game over Chicago, plays four games with the White Sox in that span and six against Detroit. The Tigers, four games behind and tied for fourth with New York after a 10-inning, 10-3 loss to Kansas City in the only AL game scheduled Monday have a half-dozen games with the White Sox.

### Standoffs Likely

That gives either of the three — the Indians, White Sox or Tigers — a chance to break away, but a stand-off is more likely. And a stand-off would give Baltimore and New York a chance to take charge.

The Orioles, third, 2 1/2 games back, and Yankees play each other only three times in the 10-day period. Baltimore splits a dozen games, between Washington and Boston, with the Senators and Red Sox.

A stand-off among the Indians, White Sox and Tigers would make Kansas City the tie-breaker, and the seventh place A's could snarl things but good.

They jumped from behind for a 2-2 tie on Kent Hadley's ninth-inning home run at Detroit Monday then turned another batch of Tigers bobbles into a record-tying, eight-run 10th. The Tigers now have lost nine of their last 14 games, and while dropping three of their last five, 16 of the 30 runs against them have been unearned.

The A's eight runs tied the AL record for 10th inning scoring. The Tigers set the mark against Washington in 1943, and Cleveland matched it against Philadelphia 10 years later.

Hitting—Jim Davenport, Giants, his second home run of game broke 4-4 tie in the 13th inning in a 6-4 victory that ended Dodgers' winning streak at seven and reclaimed second place for Giants.

Pitching — Mike McCormick, Giants, blanked Dodgers on four hits over last four innings in relief for 6-4 decision.

## Dodgers Streak Ends, Giants Get 6-4 Victory

By ED WILKS

Associated Press Sports Writer

The National League's longest winning streak of the season covered seven games in seven days, lasted 12 innings and was all over on one pitch.

Jim Davenport and Willie Mays jolted reliever Stan Williams' first two pitches for 13th-inning home runs Monday night, but Davenport's was all San Francisco needed in a 6-4 decision that ended Los Angeles' streak and reclaimed second place from the Dodgers. It was Davenport's second homer of the night.

That was the only game scheduled in the NL and left the Giants two percentage points ahead of the Dodgers. Both are 1 1/2 games behind Milwaukee's league-leading Braves, who return to action at Cincinnati tonight.

Davenport now has homered twice in one game three times in the majors—each time at the Los Angeles Coliseum, where he hit five of his 12 rookie homers last season. Last night's pair, for a total of five this year, were his first against the Dodgers in '59.

### Sanford Knocked Out

The Dodgers scored three times from behind scored twice in the first, chasing Jack Sanford in his first appearance since a June 11 injury, for a 2-1 lead after Davenport's leadoff homer. Willie Kirkland's 13th home run scored two for a 3-2 Giant lead in the third against starter Roger Craig, but Gil Hodges' 14th home run tied it in the Dodgers' third.

Both scored in the ninth after Craig retired 16 in a row, the Giants counted on a single by Orlando Cepeda and Jackie Brandt's triple. But the Dodgers came back on a single by Gilliam and a double by Charlie Neal that sacrificed reliever Stu Miller, and a sacrifice fly by pinch-hitter Carl Furillo off winning reliever Mike McCormick. The young left-hander, now 7-7, blanked the Dodgers on four hits the rest of the way, getting Don Demeter on an inking-flying fly with the bases loaded in the 11th.

Other scores included Armando Rodriguez, 15-2, blanked the Dodgers, 1-0, in a 1-0 win at San Francisco. Bob Smith, Wolfert Roost, 15-4, and John Gucas, Van Schaick, 16-2.

### Rhubarb Delays Selection Of Northeast PGA Qualifier

A rhubarb over a two-stroke penalty has delayed selection of the Northeast PGA's two qualifiers for the National PGA tournament at St. Louis Park, Minn., July 30-Aug. 2.

The hassle developed Monday at the Pittsburgh Country Club where only seven pros showed up for the 36-hole qualifying test.

Carl Warnick, Canajoharie pro, was involved in the rhubarb. Warnick reported a 4-over-par 144, but later it was discovered that he had not included a two-stroke penalty, incurred during the morning round when he hit the wrong ball out of the rough. With the penalty included, Warnick would finish with 146, same as Alex Sinclair of Mohawk. But if the USGA decides that Warnick must be disqualified, then Jim Farina of Ballston, who had 151, would be the qualifier along with Sinclair.

Other scores included Armando Rodriguez, 15-2, blanked the Dodgers, 1-0, in a 1-0 win at San Francisco. Bob Smith, Wolfert Roost, 15-4, and John Gucas, Van Schaick, 16-2.

### Hill Captures Lawyers Golf

Joseph Hill, Kingston attorney, won first prize in annual Ulster County Bar Association golf tournament at The Twaalfskill Club.

Assistant District Attorney Joseph P. Torraca was runnerup. Other prize winners included: Judge Louis G. Bruhn, George Beck, Bernard Feeney, A. Chieco, Robert Stapleton, J. Murray.

The barristers and judges invoked the Fifth amendment when asked to reveal their scores. Sixty members of the association and guests enjoyed a steak roast after the matches. N. Levan Haver and Charles H. Gaffney officiated at the grill.

### Arlington Sets 75-Lap Feature

Arlington Speedway stages its annual 75-lap holiday championship race Friday night at the Dutchess oval. The Arlington Speedway trophy will be awarded to the winner of this long extra distance event.

This type of extra distance racing event is a test not only of the driver's ability behind the wheel of a fast, modified or sportsman stock car, but also challenges the ability of the car owner and mechanic.

Among the speedsters expected to vie for the coveted title are Bill Murdoch and Clyde Smith of Kingston; Charley Hyatt of Norwalk; Conn. Walt Shurbert and Larry Smith.

TIPS AND TOPICS

By Chet Joy

The recent plight of the young boy lost on the Slide Mountain divide at Winooski lake is one of a number of such happenings each year, some of them ending tragically. The necessity of adults and children when afield to remember a few simple rules when the fear and hysteria comes with the realization that one has lost his way is of utmost importance.

I do not think there is any other one thing that can compare with the feeling of sheer loneliness that comes with an emotional shock of a lost sense of direction in unfamiliar forests. Even the best of woodsmen have lost their bearings when caught in pea soup fog or blinding blizzards that obscure the sun and surrounding landmarks from view.

The following rules should be observed when lost:

1. Overcome the urge to move rapidly; broken legs never aided anyone.

2. Travel downhill, valleys lead to brooks and creeks or later streams which sound or later are paralleled by highways. Rest often and keep dry.

3. Bed down in storm periods and darkness in pockets under ledges. Body warmth is assured by using a combination of wind-blown leaves and hemlock boughs.

4. The most important tool for a lost person that I know of and should be added as a knife is the official boy scout knife. This forest blade used for trail blazing and forestry checks for gypsy moth control is so designed that it will cut a shallow discernible groove with little pressure into the trunk of any tree. A trail to follow is the most important thing for a searching party.

### Florida's Black Bear

The Florida black bear goes through the same seasonal routine as its northern brethren. It feeds, fattens and hibernates though it lives where winters are warm and food is plentiful all year round.

## Greeks Plan Missiles

ATHENS (AP)—The Greek government is going to ring Athens with Nike missile bases to protect the capital from air attack, an Air Ministry spokesman said today. Greek officers and men are already in the United States training to use the surface-to-air anti-aircraft missiles, he said. Construction of the bases on mountains overlooking Athens is due to be completed by the end of 1960.

## Indictment Says Nassau Chinese Smuggled Aliens

NEW YORK (AP)—One of suburban Nassau County's leading residents, Arthur Lem, a 44-year-old Chinese, has been indicted on charges of smuggling alien Chinese into this country for profit. He promptly claimed he was the victim of a long-range frameup by the government of Red China. He was once commended by the Justice Department for his work as an undercover man, in exposing a Communist Chinese cell in Brooklyn.

Lem runs the Chunking Royal Restaurant in Hempstead. He has won citations for his many civic activities on Long Island.

## 15 Counts in Indictment

The 15-count indictment handed up Monday by a federal grand jury in Brooklyn also said that Lem's real name is Chin Doong Art and he is not an American citizen as he claims. He came to this country in 1926.

Lem was freed on \$20,000 bond on charges of harboring illegal aliens, making false claims of citizenship, conspiring to obstruct justice and conspiring to commit perjury.

He identified Albert and David Lem as his sons, the government charged, when actually Albert was a brother and David was a distant cousin.

## Death Threats Mentioned

The indictment said that death threats had been made to relatives of grand jury witnesses who had described the alleged operations of the smuggling syndicate and listed fees they said had been levied against aliens who had been brought into the country illegally.

The indictment cites two cases where Chinese were allegedly smuggled into the United States illegally. Lem claims that as a result of his undercover work here against Chinese Reds in this country his sister in China was murdered and a \$10,000 price put on his head by the government of Red China.

## Violence Over Hydrants

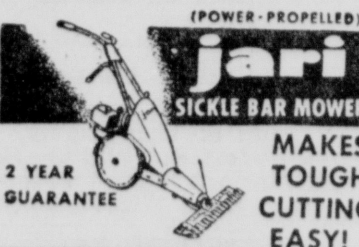

NEW YORK (AP) — Violence flared in Manhattan and the Bronx Monday night after firemen turned off hydrants.

The hydrants were turned on by youths, a common practice in New York in hot weather. Monday's 96-degree temperature was only one degree away from a record for the date.

In the Bronx, a lighted bottle of gasoline was tossed from a rooftop into a group sitting on a front stoop. The victims told police they thought the fire bomb was tossed by youths in retaliation for the residents' calling police after a hydrant was turned on. A 72-year-old woman, Louise Blaskiewicz, was hospitalized with burns. Several others were treated for burns and sent home.

## Both Enjoy Exhibits

# Ike, Kozlov Jostled By Coliseum Crowds

WASHINGTON (AP) — President Eisenhower appeared to enjoy himself thoroughly. But it's something of a minor miracle if he doesn't have a few bruises today.

Chances are that Soviet Deputy Premier Frol R. Kozlov, who is due here late today, could match Eisenhower one black and blue spot for another. However, the Kremlin official seemed to have a good time, too.

## Hour-Long Tour

It all happened Monday in the New York City Coliseum, where Eisenhower met Kozlov for an hour-long official tour of the Soviet Union's scientific and cultural exhibit.

"I think it is a very, very admirable exhibit," Eisenhower said as he completed his visit. "I think it is lovely."

But during their tour, the two men were propelled — pushed, jostled, shoved — around the big exposition hall as the crowds of spectators and newsmen crushed in from all sides.

Scores of New York police were hard put at times to stay on their own feet. The Secret Service agents, especially responsible for Eisenhower's security, also had a tough time. The Soviets assigned

to Kozlov must have had some anxious moments.

But the President and Kozlov, who arrived from Moscow Sunday, smiled through most of it.

## Ike Used to It

Eisenhower laughed heartily at one point and assured his Soviet hosts: "I've been pushed around for six years. I'm used to it."

Kozlov took it in apparently equal good humor, replying: "Well, we won't resort to tear gas and clubs."

They didn't even appear to be aware that some of the top United States officials who accompanied the President to the fair, including Vice President Richard M. Nixon and Maj. John Eisenhower, the President's son, got hopelessly cut off from the touring party after the first few minutes.

## Reds Release Japs

SAPPORO, Japan (AP)—Thirty-seven Japanese fishermen came home today after a year in Soviet captivity on charges of trespassing.

Soviet Ambassador Nicolai T. Fedorenko warned that Japanese fishing boats will not be safe in northern waters until Japan signs a World War II peace treaty.

Signing a peace treaty was delayed because of a dispute over the Soviet-held Kurile islands, which Japan claims.

## Dies of Knife Wounds

BUFFALO, N. Y. (AP)—John Peterson, 47, died at a hospital Monday from knife wounds suffered in an argument last Thursday.

Charles Thomas, 40, who had been charged with second-degree assault in the case, was rearrested and held pending a new charge.

He had been free on \$500 bail. Both men are Negroes.

# Morhouse Lauds Governor's First Six Months' Job

NEW YORK (AP) — Republican State Chairman L. Judson Morhouse says Gov. Rockefeller "is winning public trust, confidence and support as few public leaders have earned in our time."

Reviewing Rockefeller's first six months in office, Morhouse said in a statement yesterday: "No governor of New York in this century ever inherited so many seemingly insurmountable problems as Nelson Rockefeller and no governor has ever waded in with such determination and know-how to solve them."

Praising the governor's tax program, Morhouse said Rockefeller "pointed the state government toward pay-as-you-go financing with a sound, equitable fiscal program that was the inescapable price the Harriman administration cost the people of our state."

## Clear Rail Wreckage

WATKINS GLEN, N. Y. (AP)—Repair crews worked today to clear the wreckage of a 31-car freight derailment south of here.

About 300 yards of New York Central double track was torn up in the wreck Monday night. No one was hurt.

The railroad hoped to have one line open by tonight. Traffic was re-routed over other lines.

The 83-car train was bound for Corning to Buffalo. The cause of the crash was not determined.

# Average Jap Pay \$51.41 Monthly During Last Year

TOKYO (AP) — The average Japanese salaried man was paid \$51.41 a month before taxes in 1958, 31 per cent more than five years before. The government Tax Bureau said after taxes monthly paychecks averaged \$49.45.
